B. Providers

B1. Key terms

This section explains key terms in our *Provider and Pharmacy Directory.*

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, dental and vision providers, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services. Your PCP will also give you a **referral** if you need a specialist or other provider.
  - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
  - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.

- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

- You may need a **referral** to use a specialist or someone that is not your PCP. A r**eferral** means that your PCP must give you approval before you can use someone that is not your PCP. If you don't get a referral, Molina Dual Options may not cover the service.
  - Referrals from your network PCP are not needed for:
    - emergency care;
    - urgently needed care;
    - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; **or**
    - services from a women's health specialist.
  - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a **Care Team** and a **Care Coordinator** that you help choose.
  - A **Care Coordinator**, working closely with you, will lead your Care Team and develop a Care Plan that helps you manage your medical, behavioral health, long-term supports and services, and social and functional needs.
  - Your **Care Team** may include, but is not limited to the following people: Primary Care Provider, Specialty Care Provider, Registered Nurse (RN), Molina Dual Options Case Manager, Utilization Management Staff, Molina Dual Options Medical Director, and Pharmacists. Everyone on the Care Team, led by the Care Coordinator, works together to make sure your care is coordinated. This means that they make sure your providers are aware of care you get, medicines you take, and that tests and labs are done once and the results are shared with the appropriate providers. Your Care Team will also assess your needs to determine if you need help in other areas besides health, such as physical or social needs. Your Care Team will be in contact with you as often as needed depending on the Care Plan that you help develop.
  - A **Care Plan** will be developed with your help by the Care Coordinator and Care Team. The Care Plan will list all of your needs, set goals to address those needs, and determine ways to monitor if those needs are being met or if they need to be changed. It will also include a service plan if you are getting Home and Community-Based Services.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider. You may be able to have a specialist act as your PCP. If you are pregnant, have a disability, have chronic health conditions or special health care needs, a specialist can be your PCP. If you and your specialist believe that he or she should be your PCP, call Molina Dual Options. Call TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. local time to speak with Member Services.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with their medical group.

- If there is a particular specialist or hospital that you want to use, it is important to find out if they are affiliated with your PCP's medical group. You can look in this Directory or ask Molina Dual Options Member Services to find out if the PCP you want makes referrals to that specialist or uses that hospital.
- If you don't stay within your PCP's medical group, Molina Dual Options may not cover the service.

To choose a PCP, use the list of providers in section C and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Member Services at TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. local time. The call is free. Or, visit **MolinaHealthcare.com/Duals**.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B4. Long-term services and supports (LTSS)

As a Molina Dual Options member, you may be able to get long-term services and supports (LTSS), such as the following waiver programs: Elderly, Supportive Living Facility, Persons with Disability, Traumatic Brain Injury and Persons with HIV/AIDS as a Molina Dual Options member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need assistance with daily activities like bathing, dressing or grooming you can speak with a Molina Dual Options Case Manager by contacting our Member Services department at TTY: 711, Monday-Friday, 8 a.m. to 8 p.m. local time.

B5. How to identify providers in Molina Dual Options' network

You may need a referral to use someone who is not a Primary Care Provider. There is more information about referrals in Section B1.

You must get all of your covered services from providers within our network that are affiliated with your PCP's medical group. If you go to providers who are not in Molina Dual Options' network and are not affiliated with our PCP's medical group (without prior authorization (PA) or approval from us), you will have to pay the bill.

A PA is an approval from Molina Dual Options before you can get a specific service, drug, or use an out-of-network provider. Molina Dual Options may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also use providers outside the plan or your PCP's medical group for other non-emergency services if Molina Dual Options gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You may change your PCP for any reason, at any time. You can call Member Services if you want more information about our Molina Dual Options providers or if you need help changing your PCP. Member Services will make the PCP change effective on the first day of the following month. For some providers, you may need a referral from your PCP (except for emergency and out of area urgent care services).
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services if you are using a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.
- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your Case Manager for assistance.

B6. How to find Molina Dual Options providers in your area

When you enroll in the Molina Dual Options plan, you must choose a PCP to provide your basic medical care and coordinate your care. B. Proveedores

B1. Términos clave

En esta sección, se explican los términos clave que encontrará en nuestro *Directorio de proveedores y farmacias*.

- Los **proveedores** son profesionales de atención médica y proveedores de apoyo, como doctores, enfermeras, farmacéuticos, terapeutas, proveedores de atención dental y servicios oftalmológicos, y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, Servicios y Apoyo a Largo Plazo (LTSS), suministros, medicamentos recetados, equipos y otros servicios. Su PCP también le dará una **remisión** en caso de que necesite consultar a un especialista u otro proveedor.
  - ○ El término "proveedores" también se refiere a centros, como hospitales, clínicas y otros lugares que brindan servicios de atención médica, equipo médico y servicios y apoyo a largo plazo.

- Los proveedores que forman parte de la red de nuestro plan se denominan “proveedores de la red”.

- Los **proveedores de la red** son los proveedores contratados para prestar servicios a los miembros de nuestro plan. En general, los proveedores de nuestra red nos emiten directamente una factura a nosotros por la atención que usted recibe. Por lo general, cuando visita a un proveedor de la red, no debe pagar nada por los servicios cubiertos.
- Un **Proveedor de Cuidados Primarios** (PCP) es un doctor, un enfermero especializado u otro profesional de atención médica que le brinda atención de rutina. Su PCP llevará un registro de su historia clínica y conocerá sus necesidades de salud a lo largo del tiempo. Su PCP también le dará una **remisión** en caso de que necesite consultar a un especialista u otro proveedor.
- Los **especialistas** son médicos que proveen servicios de atención médica para una enfermedad o parte del cuerpo específica. Existen muchos tipos de especialistas. Algunos ejemplos son los siguientes:
  - Los oncólogos atienden a los pacientes con cáncer.
  - Los cardiólogos atienden a pacientes con afecciones cardíacas.
  - Los médicos ortopedistas atienden a pacientes con ciertas afecciones óseas, articulares o musculares.
- Es posible que necesite una **remisión** para consultar a un especialista o a alguien que no sea su PCP. Una **remisión** significa que su PCP debe darle la aprobación antes de poder recibir la atención de alguien que no sea su PCP. Si usted no obtiene una remisión, Molina Dual Options no podrá cubrir el servicio.
  - Las remisiones de parte de su PCP de la red no son necesarias para lo siguiente:
    - Atención de emergencia.
    - Atención médica requerida urgentemente.
    - Servicios de diálisis renal que obtenga de un centro de diálisis autorizado por Medicare cuando se encuentre fuera del área de servicio del plan; **o**
    - servicios de un especialista en salud de la mujer.
  - Además, si es elegible para recibir servicios de proveedores de atención médica para indígenas, puede recurrir a estos proveedores sin una remisión previa. Debemos pagarles a los proveedores de servicios de salud para indígenas por estos servicios, incluso si están fuera de la red de nuestro plan.
  - Encontrará más información disponible sobre las remisiones en el Capítulo 3 del *Manual del Miembro*.
- También tiene acceso a un **Equipo de Cuidados** y a un **Coordinador de Cuidados** de su elección.

- Un **Administrador de Cuidados** que trabaja estrechamente con usted, conducirá a su Equipo de Cuidados y desarrollará un Plan de Cuidado que lo ayude a manejar su salud médica, conductual, apoyos y servicios a largo plazo, y necesidades sociales y funcionales.

- El **Equipo de Cuidados** puede incluir, pero no se limita a las siguientes personas: Proveedor de Cuidados Primarios, Proveedor de Atención Especializada, Enfermera Registrada (Registered Nurse, RN), Administrador de Casos de Molina Dual Options, Personal de Administración de Utilización, Director Médico de Molina Dual Options y Farmacéuticos. Todos los miembros del Equipo de Cuidados, encabezado por el Administrador de Cuidados, trabajan juntos para asegurarse de que su cuidado esté coordinado. Esto significa que se aseguran de que sus proveedores estén al tanto de la atención que usted recibe, los medicamentos que toma y que las pruebas y los análisis de laboratorio se realizan una vez y que los resultados se comparten con los proveedores correspondientes. El Equipo de Cuidados también evaluará sus necesidades para determinar si necesita ayuda en otras áreas además de la salud, como necesidades físicas o sociales. El Equipo de Cuidados se pondrá en contacto con usted con la frecuencia que sea necesaria, según el Plan de Cuidados que ayude a desarrollar.

- El Administrador de Cuidados y el Equipo de Cuidados desarrollarán el **Plan de Cuidado** con su ayuda. El Plan de Cuidados enumerará todas sus necesidades, establecerá metas para abordar esas necesidades y determinará formas de monitorear si esas necesidades se satisfacen o si es necesario cambiarlas. También incluirá un plan de servicio si recibe los Servicios en el Hogar y la Comunidad.

B2. Tiempos de espera en atención primaria y salud mental

Debemos proporcionarle acceso a los servicios de atención primaria y de salud conductual dentro de los siguientes plazos:

- inmediatamente en caso de urgencia o emergencia;
- en un plazo de 7 días para los servicios que no sean una emergencia ni se necesiten con urgencia, pero en los que usted requiera atención médica; o
- en un plazo de 30 días para servicios de salud de rutina y preventivos.

B3. Proveedor de Cuidados Primarios (PCP)

Puede obtener servicios de cualquier proveedor que se encuentre en nuestra red y que acepte nuevos miembros.

En primer lugar, deberá elegir un Proveedor de Cuidados Primarios. Los miembros pueden elegir a un especialista como su PCP en algunas situaciones. Si es una mujer embarazada, tiene una discapacidad, tiene afecciones crónicas de la salud o necesidades especiales de atención médica, un especialista puede ser su PCP. Si usted y su especialista creen que debería ser su PCP, llame a Molina Dual Options. Llame al TTY: 711, de lunes a viernes, de 8 a.m. a 8 p.m. hora local para hablar con el Departamento de Servicios para Miembros.

Los PCP de nuestro plan están afiliados a grupos médicos. Cuando usted elige su PCP, también está eligiendo al grupo médico afiliado. Esto significa que su PCP lo derivará a especialistas y servicios que también estén afiliados a su grupo médico.

Si tiene alguna pregunta, llame a Molina Dual Options al , TTY: 711, de lunes a viernes, de 8 a.m. a 8 p.m. hora local. Estas llamadas son gratuitas. **Para obtener más información**, consulte **MolinaHealthcare.com/Duals**.

- Si hay un especialista u hospital en particular que desee utilizar, es importante comprobar que estén afiliados con el grupo médico de su PCP. Puede consultar este Directorio o pedir al Departamento de Servicios para Miembros de Molina Dual Options que verifique si el PCP que desea que lo atienda realiza remisiones a ese especialista o utiliza ese hospital.
- Si usted no permanece dentro del grupo médico de su PCP, Molina Dual Options no podrá cubrir el servicio.

Para elegir un PCP, consulte la lista de proveedores en la Sección C y elija un proveedor:

- que utiliza ahora **o**;
- que haya sido recomendado por alguien de su confianza, **o bien**;
- cuyo consultorio sea de fácil acceso para usted.
- Si desea obtener ayuda para escoger un PCP, llame al Departamento de Servicios para Miembros al TTY: 711, de lunes a viernes, de 8 a.m. a 8 p.m. hora local. La llamada es gratuita. O bien, visite **MolinaHealthcare.com/Duals**.
- Si tiene preguntas sobre si pagaremos por cualquier servicio o atención médica que desee o necesite, llame al Departamento de Servicios para Miembros y pregunte **antes** de obtener el servicio o la atención.

B4. Servicios y Apoyo a Largo Plazo (LTSS)

Como miembro de Molina Dual Options, puede obtener servicios y apoyo a largo plazo (LTSS, por sus siglas en inglés), como los siguientes programas de exención: Ancianos, Centro de Ayuda para la Vida Diaria, Personas con Discapacidades, Lesiones Cerebrales Traumáticas y personas con VIH/SIDA como miembro de Molina Dual Options. Los LTSS ayudan a personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse, cocinar y tomar medicamentos. La mayoría de estos servicios se brindan en su casa o su comunidad, pero podrían proporcionarse en una residencia para ancianos o en un hospital.

Si necesita ayuda con actividades cotidianas como bañarse, vestirse o realizar su aseo personal, puede hablar con un Administrador de Casos de Molina Dual Options si se comunica con nuestro Departamento de Servicios para Miembros al , TTY: 711, de lunes a viernes, de 8 a.m. a 8 p.m. hora local.

B5. Cómo identificar a los proveedores de la red de Molina Dual Options

Es posible que necesite una remisión para consultar a alguien que no sea un Proveedor de Cuidados Primarios. Hay más información sobre referencias en la Sección B1 de este Directorio.

Usted debe recibir todos sus servicios cubiertos de parte de proveedores de nuestra red. Si consulta a proveedores que no se encuentran en la red de Molina Dual Options (sin aprobación o autorización previa prior authorization, PA de nuestra parte), usted tendrá que pagar la factura.

Una **PA** es una aprobación de Molina Dual Options antes de que usted pueda recibir un servicio o medicamento específicos o recurrir a un proveedor fuera de la red. Es posible que Molina Dual Options no cubra el servicio o medicamento si no obtiene la aprobación

Las excepciones a esta regla son cuando necesita atención urgente o de emergencia, o diálisis y no puede acceder a un proveedor del plan, como cuando está lejos de casa. Usted también puede recurrir a proveedores fuera del plan o del grupo médico de su PCP para otros servicios que no sean de emergencia si Molina Dual Options lo autoriza primero.

- Puede cambiar de PCP dentro de la red, en cualquier momento durante el año. Si ha estado viendo a un proveedor de la red, no tiene que seguir atendiéndose con ese mismo proveedor. Puede cambiar de PCP por cualquier razón, en cualquier momento. Puede llamar al Departamento de Servicios para Miembros si desea más información sobre nuestros proveedores de Molina Dual Options o si necesita ayuda para cambiar de PCP. El Departamento de Servicios para Miembros hará efectivo el cambio de PCP el primer día del siguiente mes. Para algunos proveedores, es posible que necesite una remisión de parte de su PCP (excepto en casos de servicios de cuidados de urgencia y de emergencia).
- Recuerde que los PCP de nuestro plan están afiliados a grupos médicos. Si cambia de PCP, es posible que también cambie de grupos médicos. Cuando solicite el cambio, asegúrese de comunicarle al Departamento de Servicios para Miembros si está viendo a un especialista u obteniendo otros servicios cubiertos que requieran la aprobación del PCP. El Departamento de Servicios para Miembros se asegurará de que pueda continuar con su cuidado especializado cuando cambie de PCP.
- Molina Dual Options trabaja junto con todos los proveedores de nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, en la lista de proveedores dentro la red de este Directorio se incluye información sobre las adaptaciones que proporcionan.
- Si necesita a un proveedor y no está seguro de si este le ofrece las adaptaciones que usted necesita, Molina Dual Options puede ayudarlo. Hable con su Administrador de Casos para recibir asistencia.
