Molina Medicare Complete Care Plus (HMOD-SNP) *Member Handbook*

01/01/2026 –12/31/2026

Your Health and Drug Coverage under Molina Medicare Complete Care Plus (HMO D-SNP)

Member Handbook Introduction

This *Member Handbook*, otherwise known as the Evidence of Coverage, tells you about your coverage under our plan through 12/31/2026. It explains health care services, behavioral health coverage, prescription drug coverage, and long-term services and supports. Long-term services and supports provide you with the help you need, whether you get services at home or in a nursing home. Key terms and their definitions appear in alphabetical order in **Chapter 12** of this *Member Handbook*.

This is an important legal document. Keep it in a safe place.

When this *Member Handbook* says “we”, “us”, “our”, or “our plan”, it means Molina Medicare Complete Care Plus (HMO D-SNP).

This document is available for free in Spanish.

You can get this document for free in other formats, such as large print, braille, and/or audio by calling Member Services at the number at the bottom of this page. Call (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET. The call is free.

- To request your preferred language other than English and/or alternate format, call Member Services at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET.
- We will maintain a record of our member’s preferred language and/or format preferences, and we will keep this information as a standing request for future mailings and communications. This will ensure that our members will not have to make a separate request each time.
- To change a standing request, call Member Services at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET.

OMB Approval 0938-1444 (Expires: June 30, 2026)

If you have questions, please call Molina Healthcare at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare. 1

A. Welcome to our plan

Molina Medicare Complete Care Plus (HMO D-SNP) is a Highly Integrated Dual-Eligible Special Needs Plan. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health services and other providers. We also have care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

Molina Medicare Complete Care Plus (HMO D-SNP) was approved by the State of South Carolina and the Centers for Medicare & Medicaid Services (CMS) to provide you services as part of Medicare and Healthy Connections Medicaid.

Our mission is to provide quality health services to financially vulnerable families and individuals covered by government programs. As a member, you are eligible for all your Medicare and Healthy Connections Medicaid benefits plus a 24-hour Nurse Advice Line service available to answer your health questions. This handbook is your guide to your Molina Medicare Complete Care Plus (HMO D-SNP) benefits. It will tell you about the things you need to do as a member. It tells you how to get the most benefit from your health care services. It tells you about the extra benefits that you get as a member. If you need help, it tells you who to call.

B. Information about Medicare and Healthy Connections Medicaid

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or over,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. Healthy Connections Medicaid

Healthy Connections Medicaid is the name of South Carolina's Medicaid program. Healthy Connections Medicaid is run by the state and is paid for by the state and the federal government. Healthy Connections Medicaid helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of South Carolina must approve Molina Medicare Complete Care Plus (HMO D-SNP) each year. You can get Medicare and Healthy Connections Medicaid services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of South Carolina allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Healthy Connections Medicaid services isn't affected.

C. Advantages of our plan

You'll now get all your covered Medicare and Healthy Connections Medicaid services from our plan, including drugs. **You don't pay extra to join this health plan.**

We help make your Medicare and Medicaid benefits work better together and work better for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - » Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
 - » Your test results are shared with all of your doctors and other providers, as appropriate.

D. Our plan's service area

Our service area includes these counties in South Carolina: Abbeville, Aiken, Allendale, Anderson, Bamberg, Barnwell, Beaufort, Cherokee, Chester, Chesterfield, Clarendon, Colleton, Darlington, Dillon, Edgefield, Florence, Georgetown, Greenville, Greenwood, Hampton, Horry, Jasper, Lancaster, Laurens, Lee, McCormick, Marion, Marlboro, Newberry, Oconee, Orangeburg, Pickens, Spartanburg, Sumter, Union, Williamsburg, and York.

Only people who live in our service area can join our plan.

You can't stay in our plan if you move outside of our service area. Refer to **Chapter 8** of this *Member Handbook* for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You're eligible for our plan as long as you:

- live in our service area (incarcerated individuals aren't considered living in the service area even if they're physically located in it), **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or are lawfully present in the United States, **and**
- are currently eligible for Healthy Connections Medicaid, **and**
- are 18 years or older at the time of enrollment.

Even if you meet the above criteria, you're not eligible for our plan if you:

- are part of the Healthy Connections Medicaid spend-down population; **or**
- have Comprehensive Third Party Insurance; **or**
- live in an Intermediate Care Facility for people with Intellectual Disabilities (ICF/IID) or Nursing Facility at the time of eligibility determination; **or**
- are in a hospice program or are getting End-Stage Renal Disease (ESRD) services at the time of eligibility determination.

If you lose eligibility but can be expected to regain it within our plan's 6-month period of deemed continued eligibility, we'll continue to provide all plan-covered Medicare benefits. However, we will not cover your Healthy Connections Medicaid services and your Medicare cost sharing amounts. In this period of deemed continued eligibility, you can keep your Medicare benefits, but not your Healthy Connections Medicaid benefits.

Contact our Member Services team for more information.

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days after your enrollment effective date.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs, including housing, transportation, and your ability to obtain food and nutrition.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail.

We'll send you more information about this HRA.

If this plan is new for you, you can keep using the doctors you use now and keep your current service authorizations for up to 90 days after you first enroll. During this time period, you'll continue to have access to the same medically necessary items, services, and drugs as you do today. You'll also still

have access to your medical and mental health providers. However, if a course of treatment ends or if a prior authorization expires during your first 90 days in our plan, it won't automatically be renewed.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care coordinator, or other health person that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and other services.

Your care plan includes:

- your health care goals, **and**
- a timeline for getting the services you need.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

H. Summary of important costs

Our plan has no premium.

I. This *Member Handbook*

This *Member Handbook* is part of our contract with you. This means that we must follow all rules in this document. If you think we've done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to Chapter 9 of this *Member Handbook* or call 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Member Handbook* found on our website at the web address at the bottom of the page.

The contract is in effect for the months you're enrolled in our plan between 01/01/2026 and 12/31/2026.

J. Other important information you get from us

Other important information we provide to you includes your Member ID Card, information about how to access a *Provider and Pharmacy Directory*, and information about how to access a *List of Covered Drugs*, also known as a *Drug List* or *Formulary*.

J1. Your Member ID Card

Under our plan, you have one card for your Medicare and Healthy Connections Medicaid services, including LTSS, certain behavioral health services, and prescriptions. You show this card when you get any services or prescriptions. Here is a sample Member ID Card:

If your Member ID Card is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We'll send you a new card.

As long as you're a member of our plan, you don't need to use your red, white, and blue Medicare card or your Healthy Connections Medicaid card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. You may be asked to show your Medicare card if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials). Refer to Chapter 7 of this *Member Handbook* to find out what to do if you get a bill from a provider.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of the page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days. You can also refer to the *Provider and Pharmacy Directory* at MolinaHealthcare.com/Medicare or download it from this website. Both

Member Services and the website can give you the most up-to-date information about changes in our network providers.

Definition of network providers

- Our network providers include:
 - doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
 - home health agencies, durable medical equipment (DME) suppliers, waiver services providers, long-term services and supports providers, and others who provide goods and services that you get through Medicare or Healthy Connections Medicaid.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

List of Durable Medical Equipment (DME)

This list tells you the brands and makers of DME that we cover. The most recent list of brands, makers, and suppliers is also available on our website at the address at the bottom of the page. Refer to **Chapters 3 and 4** of this *Member Handbook* to learn more about DME equipment.

J3. List of Covered Drugs

Our plan has a *List of Covered Drugs*. We call it the *Drug List* for short. It tells you which drugs our plan covers. The drugs on this list are selected by our plan with the help of doctors and pharmacists. The *Drug List* must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your *Drug List* unless they have been removed and replaced as described in **Chapter 5, Section B** Medicare approved the Molina Medicare Complete Care Plus (HMO D-SNP) *Drug List*.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of this *Member Handbook* for more information.

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Member Services or visit our website at the address at the bottom of the page.

J4. The *Explanation of Benefits*

When you use your Medicare Part D drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D drugs and the total amount we paid for each of your Medicare Part D drugs during the month. This EOB isn't a bill. The EOB has more information about the drugs you take **Chapter 6** of this *Member Handbook* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

K. Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. The doctors, hospitals, pharmacists, and other providers in our plan's network **use your membership record to know what services and drugs are covered and your cost-sharing amounts**. Because of this, it's very important to help us keep your information up to date.

Tell us right away about the following:

- changes to your name, address, or phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation;
- any liability claims, such as claims from an automobile accident;
- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in your caregiver (or anyone responsible for you); **and**
- you participate in a clinical research study. (**Note:** You're not required to tell us about a clinical research study you intend to participate in, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page.

You can keep your Medicaid information up to date by calling Healthy Connections Medicaid Member Services at (888) 549-0820. TTY users can call (888) 842-3620. Representatives are available Monday through Friday, 8 a.m. to 6 p.m. You can also update your information by visiting www.apply.scdhhs.gov/CitizenPortal/.

K1. Privacy of personal health information (PHI)

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Member Handbook*.

Chapter 2: Important phone numbers and resources

Introduction

This chapter gives you contact information for important resources that can help you answer your questions about our plan and your health care benefits. You can also use this chapter to get information about how to contact your care coordinator and others to advocate on your behalf. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

C. Insurance Counseling Assistance and Referrals for Elders (I-CARE)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state that offers free help, information, and answers to your Medicare questions. In South Carolina, the SHIP is called the Insurance Counseling Assistance and Referrals for Elders (I-CARE) program.

I-CARE is an independent state program (not connected with any insurance company or health plan) that gets money from the federal government to give free local health insurance counseling to people with Medicare.

I. Programs to Help People Pay for Drugs

The Medicare website (www.medicare.gov/basics/costs/help/drug-costs) provides information on how to lower your drug costs. For people with limited incomes, there are also other programs to assist, as described below.

I1. Extra Help from Medicare

Because you're eligible for Medicaid, you qualify for and are getting "Extra Help" from Medicare to pay for your drug plan costs. You don't need to do anything to get this "Extra Help."

| | |

| WEBSITE | www.medicare.gov |

If you think you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help get evidence of your correct copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.¹

- The Best Available Evidence (BAE) is located on the web at <https://www.cms.gov/medicare/enrollment-renewal/part-d-prescribers/best-available-evidence-bae>. BAE is used to determine a

member's Low Income Subsidy. Our Member Services department and Pharmacy department identify cases where the BAE policy applies. Members may send BAE documentation to establish eligibility to the Member Services address listed in Chapter 2. Additionally you may contact Member Services if you have questions. Acceptable forms of evidence are:

- SSA Award Letter
- Notice of Award
- Supplemental Security Income
- When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them a debt, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Call Member Services at the number at the bottom of the page if you have questions.

12. The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for Medicare Part D drugs covered by our plan by spreading them across the calendar year (January- December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.** "Extra Help" from Medicare is more advantageous than participation in this payment option, no matter your income level, and plans with drug coverage must offer this payment option. To learn more about this payment option, call Member Services at the phone number at the bottom of the page or visit www.Medicare.gov.

J. Social Security

Social Security determines Medicare eligibility and handles Medicare enrollment.

If you move or change your mailing address, it's important that you contact Social Security to let them know.

Chapter 3: Using our plan’s coverage for your health care and other covered services

Introduction

This chapter has specific terms and rules you need to know to get health care and other covered services with our plan. It also tells you about your care coordinator, how to get care from different kinds of providers and under certain special circumstances (including from out-of-network providers or pharmacies), what to do if you’re billed directly for services we cover, and the rules for owning Durable Medical Equipment (DME). Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

A. Information about services and providers

Services are health care, supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care and behavioral health are in **Chapter 4** of this *Member Handbook*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of this *Member Handbook*.

Providers are doctors, nurses, and other people who give you services and care and are licensed by the state. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services and medical equipment.

Network providers are providers who work with our plan. These providers agree to accept our payment as full payment. We arranged for these providers to deliver covered services to you. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing or only your share of the cost for covered services.

B. Rules for getting services our plan covers

Our plan covers services covered by Medicare and Healthy Connections Medicaid. This includes behavioral health.

Our plan will generally pay for health care services and behavioral health services you get when you follow our rules. To be covered by our plan:

- The care you get must be included in our Medical Benefits Chart in **Chapter 4** of this *Member Handbook*.
- The care must be **medically necessary**. By medically necessary, we mean you need services to prevent, diagnose, or treat your condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For medical services, you must have a network **primary care** provider (**PCP**) providing and overseeing your care. As a plan member, you must choose a network provider to be your PCP (for more information, go to **Section D1** of this chapter).
 - In most cases, your network PCP or our plan must give you approval before you can use a provider that isn't your PCP or use other providers in our plan's network. This is called a **referral**. If you don't get approval, we may not cover the services.
 - You don't need referrals from your PCP for emergency care or urgently needed care or to use a woman's health provider. You can get other kinds of care without having a referral from your PCP (for more information, go to **Section D1** in this chapter).
- **You must get your care from network providers** (for more information, go to **Section D** in this chapter). Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you'll have to pay the provider in full for services you get. Here are some cases when this rule doesn't apply:

- We cover emergency or urgently needed care from an out-of-network provider (for more information, go to **Section I** in this chapter).
- If you need care that our plan covers and our network providers can't give it to you, you can get care from an out-of-network provider. Molina Medicare Complete Care Plus (HMO D-SNP) requires a prior authorization and decision that the care is medically necessary before you get care from an out of network provider. In this situation, we cover the care as if you got it from a network provider. For information about getting approval to use an out-of-network provider, go to **Section D4** in this chapter.
- We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible. If possible, call Member Services at the number at the bottom of the page before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.

C. Your care coordinator

C1. What a care coordinator is

A Molina Medicare Complete Care Plus (HMO D-SNP) Care Coordinator is one main person for you to contact. This person helps manage all your providers and services and makes sure you get what you need.

C2. How you can contact your care coordinator

If you want to contact your Care Coordinator, please call Member Services at (855) 735-5831, 7 days a week, 8 a.m. to 8 p.m. ET. The call is free. TTY: 711. Or, visit MolinaHealthcare.com/Medicare.

C3. How you can change your care coordinator

The member and/or caregiver may request a change in the Care Coordinator assigned, as needed by calling your Care Coordinator or Member Services. Molina Medicare Complete Care Plus (HMO D-SNP) staff may make changes to member Care Coordinator assignments based on member needs (cultural/language/physical/ behavioral health) or location.

D. Care from providers

D1. Care from a primary care provider (PCP)

You must choose a PCP to provide and manage your care.

Definition of a PCP and what a PCP does do for you

A Primary Care Provider (PCP) is a physician, nurse practitioner, or health care professional and/or medical home or clinic (Federally Qualified Health Centers -FQHC) who gives you routine health care. Molina Medicare Complete Care Plus (HMO D-SNP) maintains a network of specialty providers to care for its members. Referrals from a Molina Medicare Complete Care Plus (HMO D-SNP) PCP may be

required for a member to receive some specialty services. Members are allowed to directly access women health specialists for routine and preventive health without a referral. Your PCP will provide most of your care but your Care Coordinator will help you arrange or coordinate the rest of the covered services you get as a member of our plan. This includes:

- Your X-rays
- Laboratory tests
- Therapies
- Care from doctors who are specialists
- Hospital admissions
- Follow-up care

“Coordinating” your services includes checking or consulting with other network providers about your care and how it is going. If you need certain types of covered services or supplies, you must get approval in advance from your PCP (such as giving you a referral to see a specialist). In some cases, your PCP will need to get prior authorization (prior approval) from us. You should also have your past medical records sent to your PCP’s office.

Your choice of PCP

Your relationship with your PCP is an important one. We strongly recommend that you choose a PCP close to home. Having your PCP nearby makes receiving medical care and developing a trusting and open relationship easier. For a copy of the most current Provider/Pharmacy Directory, or to seek additional assistance in choosing a PCP, please contact Member Services. If there is a particular specialist or hospital that you want to use, check first to be sure your PCP makes referrals to that specialist, or uses that hospital. Once you have chosen your PCP, we recommend that you have all your medical records transferred to his or her office. This will provide your PCP access to your medical history and make him or her aware of any existing health care conditions you may have. Your PCP is now responsible for all your routine health care services, so he or she should be the first one you call with any health concerns. The name and office telephone number of your PCP is printed on your membership card.

Option to change your PCP

You can change your PCP for any reason, at any time. It’s also possible that your PCP may leave our plan’s network. If your PCP leaves our network, we can help you find a new PCP in our network.

All changes made will be in effect on the first day of the following month, with the following exceptions:

1. If the member is calling from the provider’s office, the effective date will be the date of the phone call.
2. If the member is in their first month of enrollment, the effective date will be the first day of the current month.

However, we recommend that you first visit your doctor to get to know your PCP before changing. You can call Member Services if you want more information about any of our Molina Healthcare providers. For some providers, you may need a referral from your PCP (except for emergent and out of area urgent care services).

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

While the PCP you choose will likely use certain hospitals and have specialists to whom they typically refer patients, as a member you are not limited or restricted to only these specific specialists. Molina Medicare Complete Care Plus (HMO D-SNP) maintains a network of specialty providers to care for its members and we will assist you in getting services from others, if or when needed. Referrals from your PCP may be required to receive specialty services, but members are allowed to directly access women's health specialists for routine and preventive health without a referral. For some services and drugs, you may be required to get a Prior Authorization. You or your PCP may request a prior authorization from Molina Healthcare's Utilization Management Department by telephone, fax, or mail based on the urgency of the requested service.

Phone: (855) 735-5831
Fax: (866) 290-1309

Please refer to the Benefits Chart in Chapter 4 for information about which services require prior authorization.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have these rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.

- We'll notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past three years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past three months.
- We help you select a new qualified in-network provider to continue managing your health care needs.
- If you're currently undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs.
- If you find out one of your providers is leaving our plan, contact us. We can help you choose a new provider to manage your care.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the Quality Improvement Organization (QIO), a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

D4. Out-of-network providers

If you need medical care that our plan is required to cover and the providers in our network cannot provide this care, including Long-Term Services and Supports, you can get this care from an out-of-network provider. Out of network services require prior authorization. You or your provider can ask for this prior authorization. Please contact Member Services for assistance. If you obtain routine care from out-of-network provider without prior authorization, neither Medicare/Healthy Connections Medicaid nor the Plan will be responsible for the costs.

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Healthy Connections Medicaid.

- We can't pay a provider who isn't eligible to participate in Medicare and/or Healthy Connections Medicaid.
- If you use a provider who isn't eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they aren't eligible to participate in Medicare.

E. Long-term services and supports (LTSS)

Long-term services and supports (LTSS) help meet your daily needs for assistance and help improve the quality of your life. LTSS can help you with everyday tasks like taking a bath, getting dressed, and making food. Most of these services are provided in your home or in your community, but they could also be provided in a nursing home or hospital.

LTSS aren't covered by our plan, but might be available to you under Healthy Connections Medicaid. If you think you need LTSS, you can talk to your care coordinator about how to access them and whether you can join a Healthy Connections Medicaid waiver. Your care coordinator can give you information about how to apply for an appropriate waiver and all of the resources available to you under the plan.

F. Behavioral health (mental health and substance use disorder) services

You will have access to medically necessary behavioral health services that are covered by Medicare and Healthy Connections Medicaid.

Molina Medicare Complete Care Plus (HMO D-SNP) provides access to many mental health and substance abuse providers, including Community Mental Health Centers. A list of providers can be located on the Molina Medicare Complete Care Plus (HMO D-SNP) member website or by calling Member Services. For a copy of the most current Provider/Pharmacy Directory, or to seek additional assistance in choosing a behavioral health provider, please contact Member Services. For some services you may be required to get a Prior Authorization. You or your Behavioral Health Provider or your PCP may request a prior authorization from Molina Healthcare's Utilization Management Department by telephone, fax, or mail based on the urgency of the requested service.

Molina Medicare Complete Care Plus (HMO D-SNP)
PO Box 40309
North Charleston, SC 29423-0309
Phone: (855) 735-5831
Fax: (866) 423-3889

Please refer to the Benefits Chart in Chapter 4 for information about which services require prior authorization. The care must be determined necessary. By necessary, we mean you need services to prevent, diagnose, or treat your condition or to maintain your current mental health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of behavioral health and medical practice. You can call member services to request assistance.

G. How to get self-directed care

G1. What self-directed care is

Self-directed care means that should you need, and qualify for, personal care attendant services, you may be able to recruit, hire, train, direct and terminate providers that provide these services to you. The

workers who may provide these personal care attendant services could include friends, neighbors, relatives or agency providers.

G2. Who can get self-directed care

Personal Care Attendant Services are available to members who are on certain waiver programs operated by the Community Long Term Care (CLTC) division of Healthy Connections Medicaid. Those waivers are:

- Community Choices waiver
- HIV/AIDS waiver
- Mechanical Ventilator Dependent waiver

G3. How to get help in employing personal care providers

Your Care Coordinator will help you understand this program. To find out more about this program, please contact Member Services at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET.

H. Transportation services

Medical non-ambulance transportation is provided to eligible Members who cannot obtain transportation on their own or through other means such as family, friends, or community resources. Member Services can assist in arranging your transportation. You can also call the state-approved transportation provider ModivCare at the listed phone numbers below to arrange or cancel transportation if you are qualified for these services.

(866) 910-7688

(866) 445-6860

(866) 445-9954

I. Covered services in a medical emergency, when urgently needed, or during a disaster

I1. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as illness, severe pain, serious injury, or a medical condition that's quickly getting worse. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your life and, if you're pregnant, loss of an unborn child; **or**
- loss of or serious harm to bodily functions; **or**
- loss of a limb or function of a limb; **or**

- In the case of a pregnant woman in active labor, when:
 - There isn't enough time to safely transfer you to another hospital before delivery.
 - A transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You **don't** need approval or a referral from your PCP. You don't need to use a network provider. You can get covered emergency medical care whenever you need it, anywhere in the U.S. or its territories, from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, tell our plan about your emergency.** We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay telling us. You can find the number to Member Services on the back of your Molina Medicare Complete Care Plus (HMO D-SNP) Member ID card.

Covered services in a medical emergency

Medicare does not pay for emergency medical care when you are outside the United States or its territories. This means if you get sick or hurt while traveling in another country, you may have to pay the full cost yourself.

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They'll continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we'll try to get network providers to take over your care as soon as possible.

Molina Medicare Complete Care Plus (HMO D-SNP) will cover Post-Stabilization Services that are provided by an in-network or out-of-network Provider in any of the following situations:

- the plan has authorized such services
- services you received to maintain and stabilize your condition

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

However, after the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**

- The additional care you get is considered “urgently needed care” and you follow the rules for getting it. Refer to the next section.

I2. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

Urgently needed care in our plan's service area

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it isn't possible or reasonable to get to a network provider, given your time, place or circumstances we cover urgently needed care you get from an out-of-network provider.

When network providers are temporarily unavailable or inaccessible, urgent care can be accessed using any available urgent care center. You may also call the 24 hour Nurse Advice Line at (844) 800-5155. TTY users should call 711.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

Our plan covers worldwide emergency and urgently needed care services outside the United States and its territories under the following circumstances:

- We offer up to \$10,000 of worldwide emergency coverage each calendar year for emergency transportation, urgent care, emergency care, and post-stabilization care. See “Worldwide emergency/urgent care coverage” in Chapter 4 to learn more.

I3. Care during a disaster

If the governor of your state, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster: MolinaHealthcare.com/Medicare.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill

your drugs at an out-of-network pharmacy. Refer to **Chapter 5** of this *Member Handbook* for more information.

J. What if you're billed directly for covered services

Molina Medicare Complete Care Plus (HMO D-SNP) cannot reimburse you for services you pay for out of pocket that are Healthy Connections Medicaid covered services. Therefore, it is important that you do not pay directly for services that are covered under your Healthy Connections Medicaid benefits. If you pay for them directly, we will not be able to reimburse you. You will have to seek reimbursement directly from the provider. Instead of paying, ask your provider to call us regarding payment.

Don't pay directly for services that Healthy Connections Medicaid covers.

If you paid for your covered services or if you got a bill for covered medical services, refer to **Chapter 7** of this *Member Handbook* to find out what to do.

You shouldn't pay the bill yourself. If you do, we may not be able to pay you back.

J1. What to do if our plan doesn't cover services

Our plan covers all services:

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of this *Member Handbook*), **and**
- that you get by following plan rules.

If you get services that our plan doesn't cover, **you pay the full cost yourself.**

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we won't pay for your services, you have the right to appeal our decision.

Chapter 9 of this *Member Handbook* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

K. Coverage of health care services in a clinical research study

K1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you want to take part in any Medicare-approved clinical research study, you **don't** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study **don't** need to be network providers. This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, covered for members by Original Medicare, we encourage you or your care coordinator to contact Member Services to let us know you'll take part in a clinical trial.

K2. Payment for services when you're in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- an operation or other medical procedure that's part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare **hasn't** approved, you pay any costs for being in the study.

K3. More about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website (www.medicare.gov/sites/default/files/2019-09/02226-medicare-and-clinical-research-studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

L. How your health care services are covered in a religious non-medical health care institution

L1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

L2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're against getting medical treatment that's "non-excepted."

- "Non-excepted" medical treatment is any care or treatment that's **voluntary and not required** by any federal, state, or local law.
- "Excepted" medical treatment is any care or treatment that's **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.
- If you get services from this institution provided to you in a facility:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from us before you're admitted to the facility, or your stay **won't** be covered.

After you have reached the limits of your Medicare Inpatient Hospital coverage, you will use your Healthy Connections Medicaid hospital limits. You do not have the same limits for Inpatient Hospital coverage with Healthy Connections Medicaid that you do for Medicare. Medicare Inpatient Hospital coverage limits apply. (See the Benefits Chart in Chapter 4).

M. Durable medical equipment (DME)

M1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own some DME items, such as prosthetics.

Other types of DME you must rent. As a member of our plan, you usually **won't** own the rented DME items, no matter how long you rent it.

In some limited situations, we transfer ownership of the DME item to you. Call Member Services at the phone number at the bottom of the page for more information. Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you **won't** own the equipment.

M2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) integrated D-SNP plan like ours, the plan can set the number of months people must rent certain types of DME before they own it.

You'll have to make 13 payments in a row under Original Medicare, or you'll have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you didn't become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments don't count toward the payments you need to make after leaving our plan.**

- You'll have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan

M3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare we cover:

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

M4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- oxygen equipment, supplies, and services for another 24 months
- oxygen equipment and supplies for up to 5 years if medically necessary

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.

- A new 5-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

Chapter 4: Benefits chart

Introduction

This chapter tells you about the services our plan covers and any restrictions or limits on those services. It also tells you about benefits not covered under our plan. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

A. Your covered services

This chapter tells you about services our plan covers. You can also learn about services that aren't covered. Information about drug benefits is in **Chapter 5** of this *Member Handbook*. This chapter also explains limits on some services.

Because you get help from Healthy Connections Medicaid, you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of this *Member Handbook* for details about our plan's rules.

If you need help understanding what services are covered, call your care coordinator and/or Member Services at the number at the bottom of the page.

B. Rules against providers charging you for services

We don't allow our providers to bill you for in network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of this *Member Handbook* or call Member Services.

C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

We pay for the services listed in the Benefits Chart when the following rules are met.

You **don't** pay anything for the services listed in the Benefits Chart, as long as you meet the requirements described below.

- We provide covered Medicare and Healthy Connections Medicaid covered services according to the rules set by Medicare and Healthy Connections Medicaid.
- The services (including medical care, services, supplies, equipment, and drugs) must be "medically necessary." Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For new members, for the first 90 days we may not require you to get approval in advance for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.

- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you get from an out-of-network provider won't be covered unless it's an emergency or urgently needed care, or unless your plan or a network provider gave you a referral. **Chapter 3** of this *Member Handbook* has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team providing and managing your care.
- When you first join the plan, you can continue using the providers you use now for 90 days or until we have completed your comprehensive assessment and created a transition plan that you agree with. If you need to continue using your out-of-network providers after your first 90 days in our plan, we'll only cover that care if the provider enters a single case agreement with us. A single case agreement is an exception to treat the provider as an in-network provider. If you are getting ongoing treatment from an out-of-network provider and think they may need a single case agreement in order to keep treating you, contact Member Services at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA with an asterisk (*). In addition, you must get PA for the following services not listed in the Benefits Chart:
 - Genetic counseling or testing
 - Hyperbaric oxygen therapy
 - Pain management procedures
 - Sleep studies
 - Admission to a Rehabilitation or Long Term Acute Care facility
- If the plan approves a PA request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care based on coverage criteria, your medical history, and the treating provider's recommendations.

Important Benefit Information for Members with Certain Chronic Conditions.

- If you have any of the chronic condition(s) listed below and meet certain medical criteria, you may be eligible for additional benefits:
 - Chronic alcohol use disorder and other substance use disorders (SUDs)

- Conditions that require continued therapy services in order for individuals to maintain or retain functioning
- We will help you with accessing these benefits. You can call Member Services or your Care Coordinator to initiate your request or get additional information. Note: By requesting this benefit you are authorizing Molina Complete Care Plus representatives to contact you by phone, mail or any other methods of communication as expressly outlined in your application
- Refer to the “Help with certain chronic conditions” row in the Benefits Chart for more information.
- Contact us for additional information.

All preventive services are free. This apple  shows the preventive services in the Benefits Chart.

D. Our plan’s Benefits Chart

| | Covered Service | What you pay |
|---|---|--------------|
|  | <p>Abdominal aortic aneurysm screening</p> <p>We pay for a one-time ultrasound screening for people at risk. Our plan only covers this screening if you have certain risk factors and if you get a referral for it from your physician, physician assistant, nurse practitioner, or clinical nurse specialist.</p> | \$0 |

| Covered Service | What you pay |
|--|--------------|
| <p>Acupuncture</p> <p>We pay for up to 12 acupuncture visits in 90 days if you have chronic low back pain, defined as:</p> <ul style="list-style-type: none"> • lasting 12 weeks or longer; • not specific (having no systemic cause that can be identified, such as not associated with metastatic, inflammatory, or infectious disease); • not associated with surgery; and • not associated with pregnancy. <p>In addition, we pay for an additional eight sessions of acupuncture for chronic low back pain if you show improvement. You may not get more than 20 acupuncture treatments for chronic low back pain each year.</p> <p>Acupuncture treatments must be stopped if you don't get better or if you get worse.</p> <p>Provider Requirements:</p> <p>Physicians (as defined in 1861(r)(1) of the Social Security Act (the Act)) may furnish acupuncture in accordance with applicable state requirements.</p> <p>Physician assistants (PAs), nurse practitioners (NPs)/clinical nurse specialists (CNSs) (as identified in 1861(aa) (5) of the Act), and auxiliary personnel may furnish acupuncture if they meet all applicable state requirements and have:</p> <ul style="list-style-type: none"> • a master's or doctoral level degree in acupuncture or Oriental Medicine from a school accredited by the Accreditation Commission on Acupuncture and Oriental Medicine (ACAOM); and, • a current, full, active, and unrestricted license to practice acupuncture in a State, Territory, or Commonwealth (i.e., Puerto Rico) of the United States, or District of Columbia. <p>Auxiliary personnel furnishing acupuncture must be under the appropriate level of supervision of a physician, PA, or NP/CNS required by our regulations at 42 CFR §§ 410.26 and 410.27.</p> | <p>\$0</p> |

| | Covered Service | What you pay |
|---|--|--|
|  | <p>Alcohol misuse screening and counseling</p> <p>We pay for one alcohol-misuse screening for adults who misuse alcohol but aren't alcohol dependent. This includes pregnant women.</p> <p>If you screen positive for alcohol misuse, you can get up to four brief, face-to-face counseling sessions each year (if you're able and alert during counseling) with a qualified primary care provider (PCP) or practitioner in a primary care setting.</p> | <p>\$0</p> |
| | <p>Ambulance services</p> <p>Covered ambulance services, whether for an emergency or non-emergency situation, include ground and air (airplane and helicopter), and ambulance services. The ambulance will take you to the nearest place that can give you care.</p> <p>Your condition must be serious enough that other ways of getting to a place of care could risk your health or life.</p> <p>Ambulance services for other cases (non-emergent) must be approved by us. In cases that aren't emergencies, we may pay for an ambulance. Your condition must be serious enough that other ways of getting to a place of care could risk your life or health.</p> | <p>\$0</p> <p>Prior authorization may be required.</p> |
| | <p>Annual Physical Exam (Supplemental)*</p> <p>The annual routine physical exam provides coverage for additional physical examination services that can only be rendered by a physician, nurse practitioner, or physician assistant. This is a great opportunity to focus attention on prevention and screening. During a routine physical examination, the clinician will examine you to identify problems through visual inspection, palpation, auscultation, and percussion. The last three of these involve direct physical contact and are necessary to identify the presence (or absence) of a physical condition.</p> | <p>\$0</p> <p>If additional services are required, your provider will refer you to a specialist or submit a prior authorization if needed.</p> |

| | Covered Service | What you pay |
|--|--|--|
|  | <p>Annual wellness visit</p> <p>You can get an annual checkup. This is to make or update a prevention plan based on your current risk factors. We pay for this once every 12 months.</p> <p>Note: Your first annual wellness visit can't take place within 12 months of your Welcome to Medicare visit. However, you don't need to have had a Welcome to Medicare visit to get annual wellness visits after you've had Part B for 12 months.</p> | \$0 |
|  | <p>Bone mass measurement</p> <p>We pay for certain procedures for members who qualify (usually, someone at risk of losing bone mass or at risk of osteoporosis). These procedures identify bone mass, find bone loss, or find out bone quality.</p> <p>We pay for the services once every 24 months, or more often if medically necessary. We also pay for a doctor to look at and comment on the results.</p> | \$0 |
|  | <p>Breast cancer screening (mammograms)</p> <p>We pay for the following services:</p> <ul style="list-style-type: none"> • one baseline mammogram between the ages of 35 and 39 • one screening mammogram every 12 months for women aged 40 and over • clinical breast exams once every 24 months | \$0 |
| | <p>Cardiac (heart) rehabilitation services</p> <p>We pay for cardiac rehabilitation services such as exercise, education, and counseling. Members must meet certain conditions and have a doctor's order.</p> <p>We also cover intensive cardiac rehabilitation programs, which are more intense than cardiac rehabilitation programs.</p> | <p>\$0</p> <p>Prior authorization may be required.</p> |

| | Covered Service | What you pay |
|---|--|---------------------|
|  | <p>Cardiovascular (heart) disease risk reduction visit (therapy for heart disease)</p> <p>We pay for one visit a year, or more if medically necessary, with your primary care provider (PCP) to help lower your risk for heart disease. During the visit, your doctor may:</p> <ul style="list-style-type: none"> • discuss aspirin use, • check your blood pressure, and/or • give you tips to make sure you're eating well. | \$0 |
|  | <p>Cardiovascular (heart) disease screening tests</p> <p>We pay for blood tests to check for cardiovascular disease once every five years (60 months). These blood tests also check for defects due to high risk of heart disease.</p> | \$0 |
|  | <p>Cervical and vaginal cancer screening</p> <p>We pay for the following services:</p> <ul style="list-style-type: none"> • for all women: Pap tests and pelvic exams once every 24 months • for women who are at high risk of cervical or vaginal cancer: one Pap test every 12 months • for women who have had an abnormal Pap test within the last three years and are of childbearing age: one Pap test every 12 months | \$0 |
| | <p>Chiropractic services</p> <p>We pay for the following services:</p> <ul style="list-style-type: none"> • adjustments of the spine to correct alignment | \$0 |

| | Covered Service | What you pay |
|---|--|--|
| | <p>Chiropractic services (Supplemental) *</p> <p>Plan maximum of up to 20 visits every calendar year applies.</p> <p>You have access to services designed to help relieve pain, inflammation, swelling, and /or leg and foot numbness when one or more of the bones of the spine move out of position. You can get manual manipulation treatments for subluxation of the spine (limited to certain procedures).</p> <p>This benefit covers the same services as the Medicare-covered chiropractic benefit above but does not require the same diagnosis. With this benefit you can also get additional manual manipulation treatments for subluxation of the spine.</p> <p>To know if the service you need is Medicare-covered or covered under this supplemental benefit, contact your network provider.</p> | <p>There is no coinsurance or copayment for chiropractic services.</p> |
| | <p>Chronic pain management and treatment services</p> <p>Covered monthly services for people living with chronic pain (persistent or recurring pain lasting longer than 3 months). Services may include pain assessment, medication management, and care coordination and planning.</p> | <p>\$0</p> |
|  | <p>Colorectal cancer screening</p> <p>We pay for the following services:</p> <ul style="list-style-type: none"> • Colonoscopy has no minimum or maximum age limitation and is covered once every 120 months (10 years) for patients not at high risk, or 48 months after a previous flexible sigmoidoscopy for patients who aren't at high risk for colorectal cancer, and once every 24 months for high risk patients after a previous screening colonoscopy. <p>This benefit is continued on the next page.</p> | <p>\$0</p> |

| | Covered Service | What you pay |
|--|---|--|
| | <p>Colorectal cancer screening (Continued)</p> <ul style="list-style-type: none"> • Computed tomography colonography for patients 45 years and older who aren't at high risk of colorectal cancer is covered when at least 59 months have passed following the month in which the last screening computed tomography colonography was performed, or when 47 months have passed following the month in which the last screening flexible sigmoidoscopy or screening colonoscopy was performed. For patients at high risk for colorectal cancer, payment may be made for a screening computed tomography colonography performed after at least 23 months have passed following the month in which the last screening computed tomography colonography or the last screening colonoscopy was performed. • Flexible sigmoidoscopy for patients 45 years and older. Once every 120 months for patients not at high risk after the patient got a screening colonoscopy. Once every 48 months for high risk patients from the last flexible sigmoidoscopy or computed tomography colonography. • Screening fecal-occult blood tests for patients 45 years and older. Once every 12 months. • Multitarget stool DNA for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. • Blood-based Biomarker Tests for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. • Colorectal cancer screening tests include a follow-on screening colonoscopy after a Medicare covered non-invasive stool-based colorectal cancer screening test returns a positive result. • Colorectal cancer screening tests include a planned screening flexible sigmoidoscopy or screening colonoscopy that involves the removal of tissue or other matter, or other procedure furnished in connection with, as a result of, and in the same clinical encounter as the screening test. | |

E. Benefits not covered by our plan, Medicare, or Healthy Connections Medicaid

This section tells you about benefits excluded by our plan. “Excluded” means that we don’t pay for these benefits. Medicare and Healthy Connections Medicaid don’t pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

We don’t pay for excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under specific conditions listed. Even if you get the services at an emergency facility,

If you have questions, please call Molina Healthcare at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare. 109

the plan won't pay for the services. If you think that our plan should pay for a service that isn't covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of this *Member Handbook*.

In addition to any exclusions or limitations described in the Benefits Chart, our plan doesn't cover the following items and services:

- services considered not “reasonable and medically necessary”, according Medicare and Healthy Connections Medicaid standards, unless we list these as covered services
- experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of this *Member Handbook* for more information on clinical research studies. Experimental treatment and items are those that aren't generally accepted by the medical community.
- surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it
- a private room in a hospital, except when medically necessary
- private duty nurses
- personal items in your room at a hospital or a nursing facility, such as a telephone or television
- full-time nursing care in your home
- fees charged by your immediate relatives or members of your household
 - elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary
- cosmetic surgery or other cosmetic work, unless it's needed because of an accidental injury or to improve a part of the body that isn't shaped right. However, we pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it
- chiropractic care, other than manual manipulation of the spine consistent with coverage guidelines
- routine foot care, except as described in Podiatry services in the Benefits Chart in **Section D**
- shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease
 - supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease
- regular hearing exams, hearing aids, or exams to fit hearing aids
- radial keratotomy, LASIK surgery, and other low-vision aids
- reversal of sterilization procedures and non-prescription contraceptive supplies
- naturopath services (the use of natural or alternative treatments)
 - services provided to veterans in Veterans Affairs (VA) facilities. However, when a veteran gets emergency services at a VA hospital and the VA cost-sharing is more than the cost-sharing under our plan, we'll reimburse the veteran for the difference. You're still responsible for your cost-sharing amounts.

Chapter 5: Getting your outpatient drugs

Introduction

This chapter explains rules for getting your outpatient drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Healthy Connections Medicaid. **Chapter 6** of this *Member Handbook* tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

We also cover the following drugs, although they're not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you're in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you're given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you're in Medicare hospice. For more information, please refer to **Chapter 5, Section D** "If you're in a Medicare-certified hospice program."

Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

1. You must have a provider (doctor, dentist, or other prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your PCP has referred you for care.
2. Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.

You generally must use a network pharmacy to fill your prescription (Refer to **Section A1** for more information). Or you can fill your prescription through the plan's mail-order service.

3. Your prescribed drug must be on our plan's *List of Covered Drugs*. We call it the "Drug List" for short. (Refer to Section B of this chapter.)
 - If it isn't on the *Drug List*, we may be able to cover it by giving you an exception.
 - Refer to Chapter 9 to learn about asking for an exception.
4. Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug.
5. Your drug may require approval from our plan based on certain criteria before we'll cover it. (Refer to Section C in this chapter.)

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions **only** when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies. (Refer to **Section A8** for information about when we cover prescriptions filled at out-of-network pharmacies.)

To find a network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website or contact Member Services or your care coordinator.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for our share of the cost of your covered drug. You may need to pay the pharmacy a copay when you pick up your prescription.

If you don't have your Member ID Card with you when you fill your prescription, ask the pharmacy to call us to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back for our share. If you **can't** pay for the drug, contact Member Services right away. We'll do everything we can to help.

- To ask us to pay you back, refer to Chapter 7 of this *Member Handbook*.
- If you need help getting a prescription filled, contact Member Services or your care coordinator.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider *or* ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services or your care coordinator.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

If you have questions, please call Molina Healthcare at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare. 113

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy isn't in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.) To find a specialized pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. Drugs **not** available through our plan's mail-order service are marked with **NM** in our *Drug List*.

Our plan's mail-order service allows you to order at least a 31-day supply of the drug and no more than a 100-day supply. A 100-day supply has the same copay as a one-month supply.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, please call Member Services at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET or you can visit [MolinaHealthcare.com/Medicare](https://www.molinahealthcare.com/Medicare).

Usually, a mail-order prescription arrives within 14 days. Please call Member Services for members to get a prescription at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET if your *mail-order is delayed*.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

2. New prescriptions the pharmacy gets from your provider's office

After the pharmacy gets a prescription from a health care provider, it contacts you to find out if you want the medication filled immediately or at a later time.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allows you to stop or delay the order before you're billed and it's shipped.

- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug.

- The pharmacy contacts you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.
- If you choose not to use our auto refill program, contact your pharmacy 14 days before your current prescription will run out to make sure your next order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, contact us by calling Member Services at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you. The pharmacy will contact you by phone at the number you have provided. It is important to make sure that our pharmacy has the most current contact information.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's *Drug List*. Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 100-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

For certain kinds of drugs, you can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** to learn about mail-order services.

A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. In these cases, check with Member Services first to find out if there's a network pharmacy nearby.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- If the prescription is related to urgently needed care
- If these prescriptions are related to care for a medical emergency

- Coverage will be limited to a 31-day supply unless the prescription is written for less.

A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost instead of a copay when you get your prescription. You can ask us to pay you back for our share of the cost. You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

To learn more about this, refer to **Chapter 7** of this *Member Handbook*.

B. Our plan's *Drug List*

We have a *List of Covered Drugs*. We call it the “*Drug List*” for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's *Drug List* when you follow the rules we explain in this chapter.

B1. Drugs on our *Drug List*

Our *Drug List* includes drugs covered under Medicare Part D and some prescription and over-the-counter (OTC) drugs and products covered under Healthy Connections Medicaid.

Our *Drug List* includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On our *Drug List*, when we refer to “drugs” this could mean a drug or a biological product.

Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives called biosimilars. Generally, generic drugs and biosimilars work just as well as brand name or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Refer to Chapter 12 for definitions of the types of drugs that may be on the *Drug List*.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on our *Drug List*

To find out if a drug you take is on our *Drug List*, you can:

- Check the most recent *Drug List* we sent you in the mail.
- Visit our plan’s website at MolinaHealthcare.com/Medicare. The *Drug List* on our website is always the most current one.
- Call your care coordinator or Member Services to find out if a drug is on our *Drug List* or to ask for a copy of the list.
- Use our “Real Time Benefit Tool” at Caremark.com search for drugs on the *Drug List* to get an estimate of what you’ll pay and if there are alternative drugs on the *Drug List* that could treat the same condition. You can also call your care coordinator or Member Services.

B3. Drugs not on our *Drug List*

We don’t cover all drugs.

- Some drugs aren’t on our *Drug List* because the law doesn’t allow us to cover those drugs.
- In other cases, we decided not to include a drug on our *Drug List*.
- In some cases, you may be able to get a drug that isn’t on our *Drug List*. For more information refer to **Chapter 9**.

Our plan doesn’t pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of this *Member Handbook* for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan’s outpatient drug coverage (which includes Medicare Part D and Healthy Connections Medicaid drugs) can’t pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren’t considered part of your outpatient drug benefits.
2. Our plan can’t cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn’t approved to treat the condition. This is called “off-label use.” Our plan usually doesn’t cover drugs prescribed for off-label use.

Also, by law, Medicare or Healthy Connections Medicaid can’t cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for the treatment of anorexia or weight gain

- Outpatient drugs made by a company that says you must have tests or services done only by them

B4. Drug List cost-sharing tiers

Every drug on our *Drug List* is in one of six (6) tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or OTC drugs). In general, the higher the cost-sharing tier, the higher your cost for the drug.

- **Tier 1: Preferred generic**
- **Tier 2: Generic**
- **Tier 3: Preferred brand**
- **Tier 4: Non-Preferred**
- **Tier 5: Specialty**
- **Tier 6: Select Care**

To find out which cost-sharing tier your drug is in, look for the drug on our *Drug List*.

Chapter 6 of this *Member Handbook* tells the amount you pay for drugs in each tier.

C. Limits on some drugs

For certain drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

Note that sometimes a drug may appear more than once in our *Drug List*. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your provider, and different restrictions may apply to the different versions of the drugs (for example, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid.)

If there's a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule shouldn't apply to your situation, ask us to use the coverage decision process to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to Chapter 9 of this *Member Handbook*.

1. Limiting use of a brand name drug or original biological products when, respectively, a generic or interchangeable biosimilar version is available

Generally, a generic drug or interchangeable biosimilar works the same as a brand name drug or original biological product and usually costs less. If there's a generic or interchangeable biosimilar version of a brand name drug or original biological product available, our network pharmacies give you the generic or interchangeable biosimilar version.

- We usually don't pay for the brand name drug or original biological product when there's an available generic version.
- However, if your provider told us the medical reason that the generic drug or interchangeable biosimilar won't work for you **or** wrote "No substitutions" on your prescription for a brand name drug or original biological product or told us the medical reason that the generic drug interchangeable biosimilar or other covered drugs that treat the same condition won't work for you, then we cover the brand name drug.
- Your copay may be greater for the brand name drug or original biological product than for the generic drug or interchangeable biosimilar.

Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill your prescription. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get approval, we may not cover the drug. Call Member Services at the number at the bottom of the page or on our website at MolinaHealthcare.com/Medicare for more information about prior authorization.

2. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A doesn't work for you, then we cover Drug B. This is called step therapy. Call Member Services at the number at the bottom of the page or on our website at MolinaHealthcare.com/Medicare for more information about step therapy.

Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, if it's normally considered safe to take only one pill per day for a certain drug, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our *Drug List*. For the most up-to-date information, call Member Services or check our website at MolinaHealthcare.com/Medicare. If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of this *Member Handbook*.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.

- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.
- The drug is covered, but in a cost-sharing tier that makes your cost more expensive than you think it should be.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug isn't on our *Drug List* or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:
 - is no longer on our *Drug List* **or**
 - was never on our *Drug List* **or**
 - is now limited in some way.
2. You must be in one of these situations:
 - We cover a temporary supply of your drug during the first 90 days of the calendar year.
 - This temporary supply is for up to 31 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 31 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
 - You're new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
 - This temporary supply is for up to 31 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 31 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
 - You've been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.

- If you are a new resident of a LTC facility and have been enrolled in our Plan for more than 90 days and need a drug that isn't on our formulary or is subject to other restrictions, such as step therapy or dosage limits, we will cover a temporary 31-day emergency supply of that drug (unless the prescription is for fewer days) while the member pursues a formulary exception. Exceptions are available in situations where you experience a change in the level of care you are receiving that also requires you to transition from one facility or treatment center to another. In such circumstances, you would be eligible for a temporary, one-time fill exception even if you are outside of the first 90 days as a member of the plan. Please note that our transition policy applies only to those drugs that are "Part D drugs" and bought at a network pharmacy. The transition policy can't be used to buy a non-Part D drug or a drug out of network, unless you qualify for out of network access.

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that isn't on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

D3. Asking for an exception

If a drug you take will be taken off our *Drug List* or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.
- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).
- If we approve your request, we'll authorize coverage for the drug before the change takes effect.

To learn more about asking for an exception, refer to Chapter 9.

If you need help asking for an exception, you can contact Member Services or your care coordinator.

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our *Drug List* during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval (PA) for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).
- Replace an original biological product with an interchangeable biosimilar version of the biological product. We must follow Medicare requirements before we change our plan's *Drug List*. For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally won't remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our *Drug List* now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

What happens if coverage changes for a drug you're taking?

To get more information on what happens when our *Drug List* changes, you can always:

- Check our current *Drug List* online at MolinaHealthcare.com/Medicare **or**
- Call Member Services at the number at the bottom of the page to check our current *Drug List*.

Changes we may make to the *Drug List* that affect you during the current plan year

Some changes to the *Drug List* will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug or biosimilar comes on the market that works as well as a brand name drug or original biological product on the *Drug List* now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same. When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
 - You or your provider can ask for an "exception" from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to Chapter 9 of this handbook for more information on exceptions.

Some changes to the *Drug List* may include:

- **A new generic drug or interchangeable biosimilar becomes available.** Sometimes, a new generic drug or an interchangeable biosimilar version of the same biological product comes on the market that works as well as a brand name drug or original biological product on the *Drug List* now. When that happens, we may remove the brand name drug or original biological product and add the new generic drug or an interchangeable biosimilar version of the same biological product, but your cost for the new drug or an interchangeable biosimilar will stay the same.

When we add the new generic drug, we may also decide to keep the brand name drug or original biological product on the list but change its coverage rules or limits.

When these changes happen, we'll:

- Tell you at least 30 days before we make the change to the *Drug List* or
- Let you know and give you a 31-day supply of the brand name drug or original biological product after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If you should switch to the generic or interchangeable biosimilar or if there's a similar drug on the *Drug List* you can take instead or
- Whether to ask for an exception from these changes. To learn more about asking for exceptions, refer to Chapter 9.

Removing unsafe drugs and other drugs that are taken off the market. Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off our *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. Contact your prescribing doctor if you receive a notification.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our *Drug List* or
- Let you know and give you a 31-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there's a similar drug on our *Drug List* you can take instead or
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you've been taking. To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

Changes to the *Drug List* that don't affect you during this plan year

We may make changes to drugs you take that aren't described above and don't affect you now. For such changes, if you're taking a drug we covered at the **beginning** of the year, we generally don't remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you're taking or limit its use, then the change doesn't affect your use of the drug for the rest of the year.

If any of these changes happen for a drug you're taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

We won't tell you above these types of changes directly during the current year. You'll need to check the Drug List for the next plan year (when the list is available during the open enrollment period) to see if there are any changes that will impact you during the next plan year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you're admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your drugs during your stay. You won't pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

To learn more about drug coverage and what you pay, refer to Chapter 6 of this *Member Handbook*.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your drugs through the facility's pharmacy if it's part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't or if you need more information, contact Member Services.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice doesn't cover because it isn't related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of this *Member Handbook* for more information about the hospice benefit.

G. Programs on drug safety and managing drugs

G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- may not be needed because you take another similar drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- may be an error in the amount (dosage)
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of drugs, we work with your provider to correct the problem.

G2. Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they'll give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you don't want to be in the program, let us know, and we'll take you out of it.

If you have questions about these programs, contact Member Services or your care coordinator.

G3. Drug management program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioid and other frequently abused medications. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescriber to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescriber, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may include:

- Requiring you to get all prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You'll have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter that confirms the limitations.

If you think we made a mistake, you disagree with our decision or the limitation, you and your prescriber can make an appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your appeal related to limitations that apply to your access to these medications, we'll automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of this *Member Handbook*.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

Chapter 6: What you pay for your Medicare and Healthy Connections Medicaid drugs

Introduction

This chapter tells what you pay for your outpatient drugs. By “drugs,” we mean:

- Medicare Part D drugs, **and**
- Drugs and items covered under Healthy Connections Medicaid

Because you're eligible for Healthy Connections Medicaid, you get Extra Help from Medicare to help pay for your Medicare Part D drugs. We have sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the LIS Rider”), which tells you about your drug coverage. If you don't have this insert, please call Member Services and ask for the “LIS Rider.”

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

To learn more about drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - We call this the *Drug List*. It tells you:
 - Which drugs we pay for
 - Which of the six (6) tiers each drug is in
 - If there are any limits on the drugs
 - If you need a copy of our *Drug List*, call Member Services. You can also find the most current copy of our *Drug List* on our website at MolinaHealthcare.com/Medicare.
- **Chapter 5** of this *Member Handbook*.
 - It tells how to get your outpatient drugs through our plan.
 - It includes rules you need to follow. It also tells which types of drugs our plan doesn't cover.
- When you use the plan's “Real Time Benefit Tool” to look up drug coverage (refer to Chapter 5, Section B2), the cost shown is an estimate of the out-of-pocket costs you're expected to pay. You can call your care coordinator or Member Services for more information.
- Our *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.

- The *Provider and Pharmacy Directory* lists our network pharmacies. Refer to **Chapter 5** of this *Member Handbook* more information about network pharmacies.

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your drug costs and the payments you make when you get prescriptions at the pharmacy. We track two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what our plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get drugs through our plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB isn't a bill. The EOB has more information about the drugs you take such as increases in price and other drugs with lower cost sharing that may be available. You can talk to your prescriber about these lower cost options. The EOB includes:

- **Information for the month**. The summary tells what drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paid for you.
- **Totals for the year since January 1**. This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information**. This is the total price of the drug and changes in the drug price since the first fill for each prescription claim of the same quantity.
- **Lower cost alternatives**. When applicable, information about other available drugs with lower cost sharing for each prescription.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs don't count towards your total out-of-pocket costs.
- To find out which drugs our plan covers, refer to our *Drug List*. In addition to the drugs covered under Medicare, some prescription and over-the-counter drugs are covered under Healthy Connections Medicaid. These drugs are included in the *Drug List*.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for our share of the cost of the drug.

Here are examples of when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or use a discount card that isn't part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug under special circumstances

For more information about asking us to pay you back for our share of the cost of a drug, refer to **Chapter 7** of this *Member Handbook*.

3. Send us information about payments others make for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, the Indian Health Service and most charities count toward your out-of-pocket costs. This can help you qualify for catastrophic coverage. When you reach the Catastrophic Coverage Stage, our plan pays all of the costs of your Medicare Part D drugs for the rest of the year.

4. Check the EOBs we send you.

When you get an EOB in the mail, make sure it's complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

What if you find mistakes on this summary?

If something is confusing or doesn't seem right on this EOB, please call us at Molina Medicare Complete Care Plus (HMO D-SNP) Member Services.

What about possible fraud?

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

- Call us at Molina Medicare Complete Care Plus (HMO D-SNP) Member Services.
- Or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free.

If you think something is wrong or missing, or if you have any questions, call Member Services. Keep these EOBs. They're an important record of your drug expenses.

C. Drug Payment Stages for Medicare Part D drugs

There are two payment stages for your Medicare Part D drug coverage under our plan. How much you pay for each prescription depends on which stage you're in when you get a prescription filled or refilled. These are the two stages:

| Stage 1: Initial Coverage Stage | Stage 2: Catastrophic Coverage Stage |
|---|--|
| <p>During this stage, we pay part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin in this stage when you fill your first prescription of the year.</p> | <p>During this stage, we pay all of the costs of your drugs through December 31st, 2026.</p> <p>You begin this stage when you've paid a certain amount of out-of-pocket costs.</p> |

C1. Our plan has six (6) cost sharing tiers

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our Drug List is in one of six (6) cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, refer to our Drug List.

Tier 1: Preferred generic

Tier 2: Generic

Tier 3: Preferred brand

Tier 4: Non-Preferred

Tier 5: Specialty

Tier 6: Select Care

C2. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy. In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of this *Member Handbook* to find out when we do that.
- Our plan's mail-order pharmacy.

Refer to **Chapter 9** of this *Member Handbook* to learn about how to file an appeal if you're told a drug won't be covered. To learn more about these pharmacy choices, refer to **Chapter 5** of this *Member Handbook* and our *Provider and Pharmacy Directory*.

C3. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 100-day supply. It may cost you the same as a one-month supply.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of this *Member Handbook* or our *Provider and Pharmacy Directory*.

C4. What you pay

You may pay a copay when you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

Contact Member Services to find out how much your copay is for any covered drug.

For information about which pharmacies can give you long-term supplies, refer to our plan's *Provider and Pharmacy Directory*.

D. Stage 1: The Initial Coverage Stage

During the Initial Coverage Stage, we pay a share of the cost of your covered drugs, and you pay your share. Your share is called the copay. The copay depends on the cost-sharing tier the drug is in and where you get it.

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our plan's *Drug List* is in one of six (6) cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, refer to our *Drug List*.

Tier 1: Preferred Generic

Tier 2: Generic

Tier 3: Preferred brand

Tier 4: Non-Preferred

Tier 5: Specialty

Tier 6: Select Care

D1. Your pharmacy choices

How much you pay for a drug depends on if you get the drug from:

- A network retail pharmacy **or**
- An out-of-network pharmacy. In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of this *Member Handbook* to find out when we do that.

- Our plan’s mail-order pharmacy.

To learn more about these choices, refer to **Chapter 5** of this *Member Handbook* and to our *Provider and Pharmacy Directory*.

D2. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 100-day supply. It may cost you the same as a one-month supply.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of this *Member Handbook* or our plan’s *Provider and Pharmacy Directory*.

D3. What you pay

During the Initial Coverage Stage, you may pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

Contact Member Services to find out how much your copay is for any covered drug.

D4. End of the Initial Coverage Stage

The Initial Coverage Stage ends when your total out-of-pocket costs reach \$2,100. At that point, the Catastrophic Coverage Stage begins. We cover all your drug costs from then until the end of the year.

Your EOB helps you keep track of how much you've paid for your drugs during the year. We let you know if you reach the \$2,100 limit. Many people don't reach it in a year.

E. Stage 2: The Catastrophic Coverage Stage

When you reach the out-of-pocket limit of \$2,100 for your drugs, the Catastrophic Coverage Stage begins. You stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, you pay nothing for your Part D covered drugs.

F. Your drug costs if your doctor prescribes less than a full month's supply

Usually, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you're trying a drug for the first time).
- If your doctor agrees, you don't pay for the full month's supply for certain drugs.

When you get less than a month's supply of a drug, the amount you pay is based on the number of days of the drug that you get. We calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you get.

- Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7 days' supply of the drug, your payment is less than \$.05 per day multiplied by 7 days, for a total payment less than \$0.35.
- Daily cost-sharing allows you to make sure a drug works for you before you pay for an entire month's supply.
- You can also ask your provider to prescribe less than a full month's supply of a drug to help you:
 - a. Better plan when to refill your drugs,
 - b. Coordinate refills with other drugs you take, **and**
 - c. Take fewer trips to the pharmacy.

G. What you pay for Part D vaccines

Important message about what you pay for vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in our *Drug List*. Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to your plan's *Drug List* or contact Member Services for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccines:

1. **The first part is for the cost of the vaccine itself.**
2. **The second part is for the cost of giving you the vaccine. For example, sometimes you may get the vaccine as a shot given to you by your doctor.**

G1. What you need to know before you get a vaccine

We recommend that you call Member Services if you plan to get a vaccine.

- We can tell you about how our plan covers your vaccine and explain your share of the cost.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies and providers agree to work with our plan. A network provider works with us to ensure that you have no upfront costs for a Medicare Part D vaccine.

Chapter 7: Asking us to pay our share of a bill you got for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you don't agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of this Member *Handbook*.

Table of Contents

| | |
|--|-----|
| A. Asking us to pay for your services or drugs | 140 |
| B. Sending us a request for payment | 142 |
| C. Coverage decisions | 142 |
| D. Appeals | 143 |

A. Asking us to pay for your services or drugs

Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We don't allow Molina Medicare Complete Care Plus (HMO D-SNP) providers to bill you for these services. We pay our providers directly, and we protect you from any charges.

If you get a bill for the full cost of health care or drugs, send the bill to us. To send us a bill, refer to section B.

- If we cover the services or drugs, we'll pay the provider directly.
- If we cover the services or drugs and you already paid more than your share of the cost, it's your right to be paid back.
 - If you paid for services covered by Medicare, we'll pay you back.
 - If you paid for services covered by Healthy Connections Medicaid, we can't pay you back, but the provider will. Member Services or can help you contact the provider's office. Refer to the bottom of the page for the Member Services phone number.
- If we don't cover the services or drugs, we'll tell you.

Contact Member Services or your Care Coordinator if you have any questions. If you don't know what you should've paid, or if you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Examples of times when you may need to ask us to pay you back or to pay a bill you got include:

1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we'll pay the provider directly.
 - If you already paid for the Medicare service, we'll pay you back.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you get any services or prescriptions. But sometimes they make mistakes and ask you to pay for your services or more than your share of the costs. **Call Member Services** or your care coordinator at the number at the bottom of this page **if you get any bills.**

- Because we pay the entire cost for your services, you aren't responsible for paying any costs. Providers shouldn't bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.

- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We'll pay you back for your covered services **or** for the difference between the amount you paid and the amount you owed under our plan.

3. If you're retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to fill a prescription

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we'll cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- Refer to **Chapter 5** of this *Member Handbook* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full Medicare Part D prescription cost because you don't have your Member ID Card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full Medicare Part D prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs (Drug List)* on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of this *Member Handbook*).
 - If you and your doctor or other prescriber think you need the drug right away, (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of this *Member Handbook*).

- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for our share of the cost of the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide the service or drug should be covered, we pay for our share of the cost of it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of this *Member Handbook*.

B. Sending us a request for payment

Send us your bill and proof of any payment you made for Medicare services. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It's a good idea to make a copy of your bill and receipts for your records.** You can ask your care coordinator for help. You must send your information to us within 36 months of the date you received the drug, or within one (1) calendar year of the date you received the service or item.

Mail your request for payment together with any bills or receipts to this address:

For Medical Services:

Molina Medicare Complete Care Plus (HMO D-SNP)
Attn: Medicare Member Services
200 Oceangate, Ste. 100
Long Beach, CA 90802

For Part D Prescription Services:

Molina Medicare Complete Care Plus (HMO D-SNP)
7050 Union Park Center Suite 600
Midvale, UT 84047

You may also call us to ask for payment. You can call us at: (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET.

C. Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug. We also decide the amount of money, if any, you must pay.

- We'll let you know if we need more information from you.

- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we'll pay our share of the cost for it. If you already paid for the service or drug, we'll mail you a check for what you paid **or** our share of the cost. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven't paid, we'll pay the provider directly.

Chapter 3 of this *Member Handbook* explains the rules for getting your services covered. **Chapter 5** of this *Member Handbook* explains the rules for getting your Medicare Part D drugs covered.

- If we decide not to pay for our share of the cost of the service or drug, we'll send you a letter with the reasons. The letter also explains your rights to make an appeal.
- To learn more about coverage decisions, refer to Chapter 9.

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called "making an appeal." You can also make an appeal if you don't agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Member Handbook*:

- To make an appeal about getting paid back for a health care service, refer to **Section F**.
- To make an appeal about getting paid back for a drug, refer to **Section G**.

Chapter 8: Your rights and responsibilities

Introduction

This chapter includes your rights and responsibilities as a member of our plan. We must honor your rights. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

A. Your right to get services and information in a way that meets your needs

We must ensure **all** services, both clinical and non-clinical, are provided to you in a culturally competent and accessible manner, including for those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. We must also tell you about our plan's benefits and your rights in a way that you can understand. We must tell you about your rights each year that you're in our plan.

- To get information in a way that you can understand, call Member Services. Our plan has free interpreter services available to answer questions in different languages.
- Our plan can also give you materials for free in Spanish and in formats such as large print, braille, or audio. To get materials in one of these alternative formats, please call Member Services or write to Molina Medicare Complete Care Plus, P.O. Box 40309, North Charleston, SC 29423-0309.
 - We will maintain a record of our member's preferred language and/or format preferences, and we will keep this information as a standing request for future mailings and communications. This will ensure that our members will not have to make a separate request each time.
 - To change a standing request, call Member Services at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET.
P.O. Box 40309
North Charleston, SC 29423-0309

If you have trouble getting information from our plan because of language problems or a disability and you want to file a complaint, call:

 - Comuníquese con el Defensor de Healthy Connections Prime al 1-844-477-4632. También le pueden ayudar a entender el proceso para presentar una queja e informarle quién le puede ayudar. Los usuarios de TTY deben llamar al 711.

B. Our responsibility for your timely access to covered services and drugs

You have rights as a member of our plan.

- You have the right to choose a primary care provider (PCP) in our network. A network provider is a provider who works with us. You can find more information about what types of providers may act as a PCP and how to choose a PCP in **Chapter 3** of this *Member Handbook*.
 - Call your care coordinator *or* Member Services or go to the *Provider and Pharmacy Directory* to learn more about network providers and which doctors are accepting new patients.
- You have the right to a women's health specialist without getting a referral. A referral is approval from your PCP to use a provider that isn't your PCP.
- You have the right to get covered services from network providers within a reasonable amount of time.
 - This includes the right to get timely services from specialists.

- If you can't get services within a reasonable amount of time, we must pay for out-of-network care.
- You have the right to get emergency services or care that's urgently needed without prior approval (PA).
- You have the right to get your prescriptions filled at any of our network pharmacies without long delays.
- You have the right to know when you can use an out-of-network provider. To learn about out-of-network providers, refer to **Chapter 3** of this *Member Handbook*.

Chapter 9 of this *Member Handbook* tells what you can do if you think you aren't getting your services or drugs within a reasonable amount of time. It also tells what you can do if we denied coverage for your services or drugs and you don't agree with our decision.

C. Our responsibility to protect your personal health information (PHI)

We protect your PHI as required by federal and state laws.

Your PHI includes the personal information you gave us when you enrolled in our plan. It also includes your medical records and other medical and health information.

You have rights when it comes to your information and controlling how your PHI is used. We give you a written notice that tells about these rights and explains how we protect the privacy of your PHI. The notice is called the "Notice of Privacy Practice."

C1. How we protect your PHI

We make sure that no unauthorized people look at or change your records.

Except for the cases noted below, we don't give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

Sometimes we don't need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies checking on our plan's quality of care.
- We must release PHI by court order.
- We must give Medicare and Healthy Connections Medicaid your PHI including information about your Medicare Part D drugs. If Medicare and/or Healthy Connections Medicaid releases your PHI for research or other uses, they do it according to federal laws.

C2. Your right to look at your medical records

- You have the right to look at your medical records and to get a copy of your records.
- You have the right to ask us to update or correct your medical records. If you ask us to do this, we work with your health care provider to decide if changes should be made.

- You have the right to know if and how we share your PHI with others for any purposes that aren't routine.

If you have questions or concerns about the privacy of your PHI, call Member Services.

Your Privacy

Your privacy is important to us. We respect and protect your privacy. Molina uses and shares your information to provide you with health benefits. Molina wants to let you know how your information is used or shared.

PHI means *protected health information*. PHI includes your name, member number, race, ethnicity, language needs, or other things that identify you. Molina wants you to know how we use or share your PHI.

Why does Molina use or share our Members' PHI?

- To provide for your treatment
- To pay for your health care
- To review the quality of the care you get
- To tell you about your choices for care
- To run our health plan
- To use or share PHI for other purposes as required or permitted by law.

When does Molina need your written authorization (approval) to use or share your PHI?

Molina needs your written approval to use or share your PHI for purposes not listed above.

What are your privacy rights?

- To look at your PHI
- To get a copy of your PHI
- To amend your PHI
- To ask us to not use or share your PHI in certain ways
- To get a list of certain people or places we have shared your PHI with

How does Molina protect your PHI?

Molina uses many ways to protect PHI across our health plan. This includes PHI in written word, spoken word, or in a computer. Below are some ways Molina protects PHI:

- Molina has policies and rules to protect PHI.
- Molina limits who may see PHI. Only Molina staff with a need to know PHI may use it.
- Molina staff is trained on how to protect and secure PHI.
- Molina staff must agree in writing to follow the rules and policies that protect and secure PHI
- Molina secures PHI in our computers. PHI in our computers is kept private by using firewalls and passwords.

What must Molina do by law?

- Keep your PHI private.
- Give you written information, such as this on our duties and privacy practices about your PHI.
- Follow the terms of our Notice of Privacy Practices.

What can you do if you feel your privacy rights have not been protected?

- Call or write Molina and complain.
- Complain to the Department of Health and Human Services.

We will not hold anything against you. Your action would not change your care in any way.

The above is only a summary. Our Notice of Privacy Practices has more information about how we use and share our Members' PHI. Our Notice of Privacy Practices is in the following section of this Member Handbook. It is on our web site at www.molinahealthcare.com. You may also get a copy of our Notice of Privacy Practices by calling our Member Services Department at (855) 735-5831, 7 days a week, 8 a.m. to 8 p.m., local time. TTY users, please call 711.

NOTICE OF PRIVACY PRACTICES

MOLINA HEALTHCARE OF SOUTH CAROLINA

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Molina Healthcare of South Carolina (“**Molina Healthcare**”, “**Molina**”, “**we**” or “**our**”) uses and shares protected health information about you to provide your health benefits as a Molina Medicare Complete Care Plus (HMO D-SNP) member. We use and share your information to carry out treatment, payment and health care operations. We also use and share your information for other reasons as allowed and required by law. We have the duty to keep your health information private and to follow the terms of this Notice. The effective date of this Notice is December 1, 2014.

PHI means protected health information. PHI is health information that includes your name, Member number or other identifiers, and is used or shared by Molina.

Why does Molina use or share your PHI?

We use or share your PHI to provide you with health care benefits. Your PHI is used or shared for treatment, payment, and health care operations.

For Treatment

Molina may use or share your PHI to give you, or arrange for, your medical care. This treatment also includes referrals between your doctors or other health care providers. For example, we may share information about your health condition with a specialist. This helps the specialist talk about your treatment with your doctor.

For Payment

Molina may use or share PHI to make decisions on payment. This may include claims, approvals for treatment, and decisions about medical need. Your name, your condition, your treatment, and supplies given may be written on the bill. For example, we may let a doctor know that you have our benefits. We would also tell the doctor the amount of the bill that we would pay.

For Health Care Operations

Molina may use or share PHI about you to run our health plan. For example, we may use information from your claim to let you know about a health program that could help you. We may also use or share your PHI to solve Member concerns. Your PHI may also be used to see that claims are paid right.

Health care operations involve many daily business needs. It includes but is not limited to, the following:

- Improving quality;
- Actions in health programs to help Members with certain conditions (such as asthma);
- Conducting or arranging for medical review;
- Legal services, including fraud and abuse detection and prosecution programs;
- Actions to help us obey laws;
- Address Member needs, including solving complaints and grievances.

We will share your PHI with other companies (“**business associates**”) that perform different kinds of activities for our health plan. We may also use your PHI to give you reminders about your appointments. We may use your PHI to give you information about other treatment, or other health-related benefits and services.

When can Molina use or share your PHI without getting written authorization (approval) from you?

In addition to treatment, payment and health care operations, the law allows or requires Molina to use and share your PHI for several other purposes including the following:

Required by law

We will use or share information about you as required by law. We will share your PHI when required by the Secretary of the Department of Health and Human Services (HHS). This may be for a court case, other legal review, or when required for law enforcement purposes.

Public Health

Your PHI may be used or shared for public health activities. This may include helping public health agencies to prevent or control disease.

Health Care Oversight

Your PHI may be used or shared with government agencies. They may need your PHI for audits.

Research

Your PHI may be used or shared for research in certain cases, such as when approved by a privacy or institutional review board.

Legal or Administrative Proceedings

Your PHI may be used or shared for legal proceedings, such as in response to a court order.

Law Enforcement

Your PHI may be used or shared with police for law enforcement purposes, such as to help find a suspect, witness or missing person.

Health and Safety

Your PHI may be shared to prevent a serious threat to public health or safety.

Government Functions

Your PHI may be shared with the government for special functions. An example would be to protect the President.

Victims of Abuse, Neglect or Domestic Violence

Your PHI may be shared with legal authorities if we believe that a person is a victim of abuse or neglect.

Workers Compensation

Your PHI may be used or shared to obey Workers Compensation laws.

Other Disclosures

Your PHI may be shared with funeral directors or coroners to help them do their jobs.

When does Molina need your written authorization (approval) to use or share your PHI? Molina needs your written approval to use or share your PHI for a purpose other than those listed in this Notice. Molina needs your authorization before we disclose your PHI for the following: (1) most uses and disclosures of psychotherapy notes; (2) uses and disclosures for marketing purposes; and (3) uses and disclosures that involve the sale of PHI. You may cancel a written approval that you have given us. Your cancellation will not apply to actions already taken by us because of the approval you already gave to us.

What are your health information rights?

You have the right to:

- **Request Restrictions on PHI Uses or Disclosures (Sharing of Your PHI)**

You may ask us not to share your PHI to carry out treatment, payment or health care operations. You may also ask us not to share your PHI with family, friends or other persons you name who are involved in your health care. However, we are not required to agree to your request. You will need to make your request in writing. You may use Molina's form to make your request.

- **Request Confidential Communications of PHI**

You may ask Molina to give you your PHI in a certain way or at a certain place to help keep your PHI private. We will follow reasonable requests, if you tell us how sharing all or a part of that PHI could put your life at risk. You will need to make your request in writing. You may use Molina's form to make your request.

- **Review and Copy Your PHI**

You have a right to review and get a copy of your PHI held by us. This may include records used in making coverage, claims and other decisions as a Molina Member. You will need to make your request in writing. You may use Molina's form to make your request. We may charge you a reasonable fee for copying and mailing the records. In certain cases, we may deny the request. *Important Note: We do not have complete copies of your medical records. If you want to look at, get a copy of, or change your medical records, please contact your doctor or clinic.*

- **Amend Your PHI**

You may ask that we amend (change) your PHI. This involves only those records kept by us about you as a Member. You will need to make your request in writing. You may use Molina's form to make your request. You may file a letter disagreeing with us if we deny the request.

- **Receive an Accounting of PHI Disclosures (Sharing of Your PHI)**

You may ask that we give you a list of certain parties that we shared your PHI with during the six years prior to the date of your request. The list will not include PHI shared as follows:

- for treatment, payment or health care operations;
- to persons about their own PHI;
- sharing done with your authorization;
- incident to a use or disclosure otherwise permitted or required under applicable law;
- PHI released in the interest of national security or for intelligence purposes; or
- as part of a limited data set in accordance with applicable law.

We will charge a reasonable fee for each list if you ask for this list more than once in a 12- month period. You will need to make your request in writing. You may use Molina's form to make your request.

You may make any of the requests listed above, or may get a paper copy of this Notice. Please call Molina Member Services at (855) 735-5831, 7 days a week, 8 a.m. to 8 p.m., local time. TTY users, please call 711.

What can you do if your rights have not been protected?

You may complain to Molina and to the Department of Health and Human Services if you believe your privacy rights have been violated. We will not do anything against you for filing a complaint. Your care and benefits will not change in any way.

You may file a complaint with us at:

Molina Healthcare of South Carolina
Attention: Director of Member Services
P.O. Box 40309
North Charleston, South Carolina 29423-0309
Phone: (855) 735-5831, 7 days a week, 8 a.m.- 8 p.m., local time. TTY users, call 711

You may file a complaint with the Secretary of the U.S. Department of Health and Human Services at:

U.S. Department of Health & Human Services
Office for Civil Rights – Centralized Case Management Operations
200 Independence Ave., S.W.
Suite 509F, HHH Building
Washington, D.C. 20201

(202) 619-3818 (FAX)

What are the duties of Molina?

Molina is required to:

- Keep your PHI private;
- Give you written information such as this on our duties and privacy practices about your PHI;
- Provide you with a notice in the event of any breach of your unsecured PHI;
- Not use or disclose your genetic information for underwriting purposes;
- Follow the terms of this Notice.

This Notice is Subject to Change

Molina reserves the right to change its information practices and terms of this Notice at any time. If we do, the new terms and practices will then apply to all PHI we keep. If we make any material changes, Molina will post the revised Notice on our web site and send the revised Notice, or information about the material change and how to obtain the revised Notice, in our next annual mailing to our members then covered by Molina. It is on our website at www.molinahealthcare.com/Medicare.

D. Our responsibility to give you information

As a member of our plan, you have the right to get information from us about our plan, our network providers, and your covered services.

If you don't speak English, we have interpreter services to answer questions you have about our plan. To get an interpreter, call Member Services. This is a free service to you. We can also give you information in large print, braille, or audio.

If you want information about any of the following, call Member Services:

- How to choose or change plans
- Our plan, including:
 - financial information
 - how plan members have rated us
 - the number of appeals made by members
 - how to leave our plan
- Our network providers and our network pharmacies, including:
 - how to choose or change primary care providers
 - qualifications of our network providers and pharmacies
 - how we pay providers in our network
- Covered services and drugs, including:
 - services (refer to **Chapters 3 and 4** of this *Member Handbook*) and drugs (refer to **Chapters 5 and 6** of this *Member Handbook*) covered by our plan
 - limits to your coverage and drugs
 - rules you must follow to get covered services and drugs
- Why something isn't covered and what you can do about it (refer to **Chapter 9** of this *Member Handbook*), including asking us to:
 - put in writing why something isn't covered
 - change a decision we made
 - pay for a bill you got

E. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network can't make you pay for covered services. They also can't balance bill or charge you if we pay less than the amount the provider charged. To learn what to do if a network provider tries to charge you for covered services, refer to **Chapter 7** of this *Member Handbook*.

F. Your right to leave our plan

No one can make you stay in our plan if you don't want to.

- You have the right to get most of your health care services through Original Medicare or another Medicare Advantage (MA) plan.
- You can get your Medicare Part D drug benefits from a drug plan or from another MA plan.
- Refer to **Chapter 10** of this *Member Handbook*:
 - For more information about when you can join a new MA or drug benefit plan.
 - For information about how you'll get your Healthy Connections Medicaid benefits if you leave our plan.

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.
- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we'll not drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of this *Member Handbook* tells how to ask us for a coverage decision.

G2. Your right to say what you want to happen if you can't make health care decisions for yourself

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you don't want.

The legal document you use to give your directions is called an “advance directive.” There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You aren’t required to have an advance directive, but you can. Here’s what to do if you want to use an advance directive:

- **Get the form.** You can get the form from your doctor, a lawyer, a social worker, or some office supply stores. Pharmacies and provider offices often have the forms. You can find a free form online and download it.
- **Fill out the form and sign it.** The form is a legal document. Consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies of the form to people who need to know.** Give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you if you can’t. You may want to give copies to close friends or family members. Keep a copy at home.
- If you’re being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
 - The hospital will ask if you have a signed advance directive form and if you have it with you.
 - If you don’t have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.

By law, no one can deny you care or discriminate against you based on whether you signed an advance directive. Call Member Services for more information.

G3. What to do if your instructions aren’t followed

If you signed an advance directive and you think a doctor or hospital didn’t follow the instructions in it, you or your authorized representative can make a complaint with your care coordinator.

H. Your right to make complaints and ask us to reconsider our decisions

Chapter 9 of this *Member Handbook* tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

H1. What to do about unfair treatment or to get more information about your rights

If you think we treated you unfairly – and it **isn’t** about discrimination for reasons listed in **Chapter 11** of this *Member Handbook* – or you want more information about your rights, you can call:

- Member Services.
- The I-CARE program at 1-800-868-9095. For more details about I-CARE, refer to **Chapter 2**.
- The Ombudsperson Program at 1-844-477-4632, TTY: 711, Monday through Friday, 8 a.m. to 6 p.m. Eastern time. For more details about this program, refer to **Chapter 2** of this *Member Handbook*.

Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. (You can also read or download “Medicare Rights & Protections,” found on the Medicare website at www.medicare.gov/publications/11534-medicare-rights-and-protections.pdf.)

You can also visit the Healthy Connections Medicaid program website at www.scdhhs.gov/resources/health-managed-care-plans/dual-special-needs-plans.

I. Your responsibilities as a plan member

As a plan member, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read this *Member Handbook*** to learn what our plan covers and the rules to follow to get covered services and drugs. For details about your:
 - Covered services, refer to **Chapters 3 and 4** of this *Member Handbook*. Those chapters tell you what’s covered, what isn’t covered, what rules you need to follow, and what you pay.
 - Covered drugs, refer to **Chapters 5 and 6** of this *Member Handbook*.
- **Tell us about any other health or drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage.
- **Tell your doctor and other health care providers** that you’re a member of our plan. Show your Member ID Card when you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all the drugs you take. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - Ask any questions you have. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you don’t understand the answer, ask again.
- **Be considerate.** We expect all plan members to respect the rights of others. We also expect you to act with respect in your doctor’s office, hospitals, and other provider offices.
- **Pay what you owe.** As a plan member, you’re responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For most Molina Medicare Complete Care Plus (HMO D-SNP) members, Medicaid pays for your Medicare Part A premium and for your Medicare Part B premium.

- **If you get any services or drugs that aren't covered by our plan, you must pay the full cost.** (Note: If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to **Chapter 9** to learn how to make an appeal.)
- **Tell us if you move.** If you plan to move, tell us right away. Call your care coordinator or Member Services.
 - If you move outside of our service area, you can't stay in our plan. Only people who live in our service area can be members of this plan. **Chapter 1** of this *Member Handbook* tells about our service area.
 - We can help you find out if you're moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or drug plan in your new location. We can tell you if we have a plan in your new area.
 - Tell Medicare and Healthy Connections Medicaid your new address when you move. Refer to **Chapter 2** of this *Member Handbook* for phone numbers for Medicare and Healthy Connections Medicaid.
 - **If you move and stay in our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
 - **If you move, tell Social Security (or the Railroad Retirement Board).**
- **Call your care coordinator or Member Services for help if you have questions or concerns.** You may also call your care coordinator to discuss your participation in an initial health screen and/or comprehensive assessment.

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan said it won't pay for.
- You disagree with a decision your plan made about your care.
- You think your covered services are ending too soon.

This chapter is in different sections to help you easily find what you're looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

There is an ombudsman office for South Carolina. To contact them and for additional resources to address your concerns, refer to Chapter 2 for more information.

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints** (also called grievances).

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, “at-risk determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from the State Health Insurance Assistance Program (SHIP)

You can call the State Health Insurance Assistance Program (SHIP). SHIP counselors can answer your questions and help you understand what to do about your problem. The SHIP isn’t connected with us or with any insurance company or health plan. The SHIP has trained counselors in every state, and services are free. In South Carolina, the SHIP is known as I-CARE, which stands for Insurance Counseling Assistance and Referrals for Elders. The I-CARE phone number is 1-800-868-9095 and their website is www.aging.sc.gov/programs-initiatives/medicare-and-medicare-fraud. TTY users should call 711.

Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227). TTY users call: 1-877-486-2048.
- Visit the Medicare website (www.medicare.gov).

Help and information from Healthy Connections Medicaid

You can call Healthy Connections Medicaid directly for help with problems. Here are some ways to get help from Healthy Connections Medicaid:

- Call Healthy Connections Medicaid at 1-888-549-0820, from Monday to Friday from 8:00 am to 6:00 pm. TTY: 1-888-842-3620. The call is free.
- Visit the Healthy Connections Medicaid website (www.scdhhs.gov).

Getting help from other resources

You can get help from other resources such as:

- Protection & Advocacy for People with Disabilities (P&A) toll free at 1-866-275-7273. TTY: 1-866-232-4525.
- South Carolina Legal Services toll free at 1-888-346-5592.

C. Understanding Medicare and Healthy Connections Medicaid complaints and appeals in our plan

You have Medicare and Healthy Connections Medicaid. Information in this chapter applies to **all** your Medicare and Healthy Connections Medicaid benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Healthy Connections Medicaid processes.

Sometimes Medicare and Healthy Connections Medicaid processes can’t be combined. In those situations, you use one process for a Medicare benefit and another process for a Healthy Connections Medicaid benefit. **Section F4** explains these situations.

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

| Is your problem or concern about your benefits or coverage? | |
|---|---|
| This includes problems about whether particular medical care (medical items, services and/or Part B drugs) are covered or not, the way they’re covered, and problems about payment for medical care | |
| <p>Yes. My problem is about benefits or coverage.</p> <p>Refer to Section E, “Coverage decisions and appeals.”</p> | <p>No. My problem isn’t about benefits or coverage.</p> <p>Refer to Section K, “How to make a complaint.”</p> |

E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Part B drugs as **medical care**.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. We are making a coverage decision whenever we decide what is covered for you and how much we pay (refer to **Chapter 4, Section H** of this *Member Handbook*).

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we'll cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we may decide a service or drug isn't covered or is no longer covered for you by Medicare or Healthy Connections Medicaid. If you disagree with this coverage decision, you can make an appeal.

E2. Appeals

If we make a coverage decision and you aren't satisfied with this decision, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter, you can ask for an expedited or "fast coverage decision" or "fast appeal" of a coverage decision.

If we say **No** to part or all of what you asked for, we'll send you a letter. If your problem is about coverage of a Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Healthy Connections Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals. If your problem is about coverage of a service or item covered by both Medicare and Healthy Connections Medicaid, the letter will give you information regarding both types of Level 2 Appeals.

If you aren't satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E3. Help with coverage decisions and appeals

You can ask for help from any of the following:

- **Member Services** at the numbers at the bottom of the page.
- The **State Health Insurance Assistance Program (SHIP)**, known as I-CARE in South Carolina, for free help. The SHIP is an independent organization. It is not connected with this plan. The phone number is 1-800-868-9095. TTY users should call 711.
- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- **A friend or family member** You can name another person to act for you as your “representative” and ask for a coverage decision or make an appeal.
- **A lawyer.** You have the right to a lawyer, but **you aren’t required to have a lawyer** to ask for a coverage decision or make an appeal.
 - Call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.

Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.

Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at <https://www.molinahealthcare.com/members/sc/en-us/mem/duals/resources/info/forms.aspx>. The form gives the person permission to act for you. **You must give us a copy of the signed form.**

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care
- **Section G**, “Medicare Part D drugs”
- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services” (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.), you need to read a separate section of this chapter because special rules apply to these types of care. Refer to Sections G and H.

If you’re not sure which section to use, call Member Services at the numbers at the bottom of the page.

If you need other help or information, please call the ombudsman at 1-844-477-4632. TTY users should call 711.

F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for your care.

This section is about your benefits for medical care that's described in **Chapter 4** of this *Member Handbook* in the benefits chart. In some cases, different rules may apply to a Medicare Part B drug. When they do, we explain how rules for Medicare Part B drugs differ from rules for medical services and items.

F1. Using this section

This section explains what you can do in any of the five following situations:

1. You think we cover medical care you need but aren't getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we won't pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Sections H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **integrated organization determination**.

You, your doctor, or your representative can ask us for a coverage decision by:

- Calling: (844) 526-3195, 7 days a week, 8 a.m. to 5 p.m. ET. TTY: 711.
- Faxing:
 - Advanced Imaging: (877) 731-7218;
 - Transplants (877) 813-1206;
 - Medical/Behavioral Health Outpatient (844) 251-1450;
 - Inpatient (844) 834-2152;
 - RX/Jcodes (866) 290-1309
- Writing:

Molina Medicare Complete Care Plus (HMO D-SNP)
Attn: Coverage Request
200 Oceangate Suite 100
Long Beach, CA 90802

Standard coverage decision

When we give you our decision, we use the “standard” deadlines unless we agree to use the “fast” deadlines. A standard coverage decision means we give you an answer about a:

- **7 calendar days** after we get your request **for a medical service or item that is subject to our prior authorization rules**.
- **14 calendar days** after we get your request **for all other medical services or items**.
- **72 hours** after we get your request **for a Medicare Part B drug**.

For a medical item or service, we can take up to 14 more calendar days if you ask for more time or if we need more information that may benefit you (such as medical records from out-of-network providers). If we take extra days to make the decision, we'll tell you in writing. **We can't take extra days if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days, you can make a “fast complaint” about our decision to take extra days. When you make a fast complaint, we give you an answer to your complaint within 24 hours. The process for making a complaint is different from the process for coverage decisions and appeals. For more information about making a complaint, including a fast complaint, refer to **Section K**.

Fast coverage decision

The legal term for fast coverage decision is **expedited determination**.

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a “fast coverage decision.” A fast coverage decision means we’ll give you an answer within:

- **72 hours** after we get your request **for a medical service or item**.
- **24 hours** after we get your request **for a Medicare Part B drug**.

For a medical item or service, we can take up to 14 more calendar days if we find information that may benefit you is missing (such as medical records from out-of-network providers) or if you need time to get us information for the review. If we take extra days to make the decision, we’ll tell you in writing. **We can’t take extra time if your request is for a Medicare Part B drug.**

If you think we **shouldn’t** take extra days to make the coverage decision, you can make a “fast complaint” about our decision to take extra days. For more information about making a complaint, including a fast complaint, refer to **Section K**. We’ll call you as soon as we make the decision.

To get a fast coverage decision, you must meet two requirements:

- You’re asking for coverage for medical items and/or services that you **didn’t get**. You can’t ask for a fast coverage decision about payment for items or services you already got
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor’s support, we decide if you get a fast coverage decision.

- If we decide that your health doesn’t meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast coverage decision if your doctor asks for it.
 - How you can file a “fast complaint” about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we say No to part or all of your request, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you’ll go on to Level 1 of the appeals process (refer to **Section F3**).

In limited circumstances we may dismiss your request for a coverage decision, which means we won’t review the request. Examples of when a request will be dismissed include:

- if the request is incomplete,

- if someone makes the request on your behalf but isn't legally authorized to do so, **or**
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we'll send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

F3. Making a Level 1 Appeal

To start an appeal, you, your doctor, or your representative must contact us. Call us at (844) 526-3195, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET).

Ask for a standard appeal or a fast appeal in writing or by calling us at (844) 526-3195, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET.

- You can submit a request to the following address:
Molina Medicare Complete Care Plus (HMO D-SNP)
Attn: Appeals & Grievances
PO Box 22816 Long Beach, CA 90801-9977.
Online: Medicare.AppealsandGrievances@MolinaHealthCare.com
- If your doctor or other prescriber asks to continue a service or item you're already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or our website at <https://www.molinahealthcare.com/members/sc/en-us/mem/duals/resources/info/forms.aspx>
- We can accept an appeal request without **the** form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal.
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

The legal term for “fast appeal” is “**expedited reconsideration.**”

- If you appeal a decision we made about coverage for care, you and/or your doctor decide if you need a fast appeal.

We automatically give you a fast appeal if your doctor tells us your health requires it. If you ask without your doctor’s support, we decide if you get a fast appeal.

- If we decide that your health doesn’t meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.
 - How you can file a “fast complaint” about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we tell you we are stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
 - If you meet this deadline, you’ll get the service or item with no changes while your Level 1 appeal is pending.
 - You’ll also get all other services or items (that aren’t the subject of your appeal) with no changes.
 - If you don’t appeal before these dates, then your service or item won’t be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care. We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal**. We’ll give you our answer sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.

- If we need extra days to make the decision, we tell you in writing.
- If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
- If we don't give you an answer within 72 hours or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Healthy Connections Medicaid service or item, you can file a Level 2 appeal and request a "State Fair Hearing" with the state yourself as soon as the time is up. For more information about the Level 2 appeal process, refer to Section E4.
- **If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal.
- **If we say No to part or all of your request**, we send your appeal to the IRO for a Level 2 Appeal.

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
 - If you think we **shouldn't** take extra days, you can file a fast complaint about our decision. When you file a fast complaint, we give you an answer within 24 hours. For more information about making complaints, including fast complaints, refer to **Section K**.
 - If we don't give you an answer by the deadline or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Healthy Connections Medicaid service or item, you can file a Level 2 appeal and request a "State Fair Hearing" with the state yourself as soon as the time is up. For more information about the Level 2 appeal process, refer to **Section F4**.

If we **say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 30 calendar days, or **within 7** calendar days if your request is for a Medicare Part B drug, after we get your appeal.

If we say **No** to part or all of your request, **you have additional appeal rights**:

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.

If your problem is about coverage of a Healthy Connections Medicaid service or item, the letter tells you how to file a Level 2 Appeal yourself.

F4. Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we send you a letter. This letter tells you if Medicare, Healthy Connections Medicaid, or both programs usually cover the service or item.

- If your problem is about a service or item that Medicare usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that **Healthy Connections Medicaid** usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter
- If your problem is about a service or item that **both Medicare and Healthy Connections Medicaid** may cover, you automatically get a Level 2 Appeal with the IRO. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by Healthy Connections Medicaid, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the Independent Review Organization (IRO) is the **Independent Review Entity**, sometimes called the **IRE**.

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B drug.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B drug, the IRO must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO take extra time to make a decision if your request is for a Medicare Part B drug.

The IRO gives you their answer in writing and explains the reasons.

- **If the IRO says Yes to part or all of a request for a medical item or service**, we must:
 - Authorize the medical care coverage **within 72 hours**, or
 - Provide the service within **14 calendar days** after we get the IRO's decision for **standard requests**, or
 - Provide the service **within 72 hours** from the date we get the IRO's decision for **expedited requests**.
- **If the IRO says Yes to part or all of a request for a Medicare Part B drug**, we must authorize or provide the Medicare Part B drug under dispute:
 - **within 72 hours** after we get the IRO's decision for **standard requests**, or
 - **within 24 hours** from the date we get the IRO's decision for **expedited requests**.
- **If the IRO says No to part or all of your appeal**, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."
 - If your case meets the requirements, you choose whether you want to take your appeal further.
 - There are three additional levels in the appeals process after Level 2, for a total of five levels.
 - If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
 - An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** for more information about Level 3, 4, and 5 Appeals.

When your problem is about a service or item Medicaid usually covers, or that is covered by both Medicare and Healthy Connections Medicaid

A Level 2 Appeal for services that Healthy Connections Medicaid usually covers is a Fair Hearing with the state. In South Carolina, a Fair Hearing is called State Fair Hearing. You must ask for a State Fair Hearing in writing or by phone within 120 calendar days of the date we sent the decision letter on your Level 1 Appeal. The letter you get from us tells you where to submit your request for a Fair Hearing.

You can ask for a State Fair Hearing by filing your request online at msp.scdhhs.gov/appeals.

You can also deliver your request in person, fax your request to 803-255-8206, or write to:

Division of Appeals and Hearings
South Carolina Department of Health and Human Services
P.O. Box 8206
Columbia, SC 29202-8206

If a hearing is granted, the Division of Appeals and Hearings will mail you a notice giving the time, date, and place of the hearing. During the hearing, an impartial hearing officer will listen to your explanation of why you do not agree with our action. The hearing officer will also listen to our explanation of the action taken. The hearing officer will ask questions to get enough information to decide if your case was handled correctly.

The Fair Hearing office gives you their decision in writing and explain the reasons.

- If the Fair Hearing office says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the Fair Hearing office says **No** to part or all of your appeal, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."

If the IRO or Fair Hearing office decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the Fair Hearing office describes the next appeal option.

Refer to **Section J** for more information about your appeal rights after Level 2.

F5. Payment problems

We don't allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You're never required to pay the balance of any bill.

If you get a bill for covered services and items, send the bill to us. Don't **pay the bill yourself**. We'll contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from our plan if you followed the rules for getting services or item.

For more information, refer to Chapter 7 of this *Member Handbook*. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you're asking for a coverage decision. We'll check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we'll send you the payment for the service or item typically within 30 calendar days, but no later than 60 calendar days after we get your request.
- If you haven't paid for the service or item yet, we'll send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item isn't covered, or you did not follow all the rules, we'll send you a letter telling you we won't pay for the service or item, and explaining why.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we'll send your case to the IRO. We'll send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we shouldn't approve your request. This is called "upholding the decision" or "turning down your appeal." You'll get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and Healthy Connections Medicaid usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4**.

G. Medicare Part D drugs

Your benefits as a member of our plan include coverage for many drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Healthy Connections Medicaid may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time. For drugs covered only by Healthy Connections Medicaid follow the process in **Section E**.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Member Handbook* for more information about a medically accepted indication.

G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
 - cover a Medicare Part D drug that isn't on our plan's *Drug List* or

- set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan’s *Drug List* but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can’t be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.’

An initial coverage decision about your Medicare Part D drugs is called a “**coverage determination.**”

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

| Which of these situations are you in? | | | |
|---|---|--|--|
| <p>You need a drug that isn’t on our <i>Drug List</i> or need us to set aside a rule or restriction on a drug we cover.</p> <p>You can ask us to make an exception. (This is a type of coverage decision.)</p> <p>Start with Section G2, then F2. Also refer to Sections G3 and G4.</p> | <p>You want us to cover a drug on our <i>Drug List</i>, and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.</p> <p>You can ask us for a coverage decision.</p> <p>Refer to Section G4.</p> | <p>You want to ask us to pay you back for a drug you already got and paid for.</p> <p>You can ask us to pay you back. (This is a type of coverage decision.)</p> <p>Refer to Section G4.</p> | <p>We told you that we won’t cover or pay for a drug in the way that you want.</p> <p>You can make an appeal. (This means you ask us to reconsider.)</p> <p>Refer to Section G5.</p> |

G2. Medicare Part D exceptions

If we don’t cover a drug in the way you would like, you can ask us to make an “exception.” If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our *Drug List* or for removal of a restriction on a drug is sometimes called asking for a “**formulary exception.**” Asking to pay a lower price for a covered non-preferred drug is sometimes called asking for a **tiering exception.**

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that isn't on our *Drug List*

- If we agree to make an exception and cover a drug that isn't on our *Drug List* you pay the copay that applies to drugs in Tier 5.
- You can't get an exception to the required copay amount for the drug.

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our *Drug List* (refer to **Chapter 5** of this *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called “prior authorization (PA).”
 - Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called “step therapy.”
 - Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.
- If we agree to an exception for you and set aside a restriction, you can ask for an exception to the copay amount you're required to pay.

3. Changing coverage of a drug to a lower cost-sharing tier. Every drug on our *Drug List* is in one of six (6) cost-sharing tiers. In general, the lower the cost-sharing tier number, the less your required copay amount is.

- Our *Drug List* often includes more than one drug for treating a specific condition. These are called “alternative” drugs.
- If an alternative drug for your medical condition is in a lower cost-sharing tier than the drug you take, you can ask us to cover it at the cost-sharing amount for the alternative drug. This would lower your copay amount for the drug.
 - If the drug you take is a brand name drug, you can ask us to cover it at the cost-sharing amount for the lowest tier for brand name alternatives for your condition.
 - If the drug you take is a generic drug, you can ask us to cover it at the cost-sharing amount for the lowest tier for either brand or generic alternatives for your condition.
- You can't ask us to change the cost-sharing tier for any drug in Tier 5: Specialty.
- If we approve your tiering exception request and there's more than one lower cost-sharing tier with alternative drugs you can't take, you usually pay the lowest amount.

G3. Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our *Drug List* often includes more than one drug for treating a specific condition. These are called “alternative” drugs. If an alternative drug is just as effective as the drug you ask for and wouldn’t cause more side effects or other health problems, we generally **don’t** approve your exception request. If you ask us for a tiering exception, we generally **don’t** approve your exception request unless all alternative drugs in the lower cost-sharing tier(s) won’t work as well for you or are likely to cause an adverse reaction or other harm.

We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don’t need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.
- If you ask for an exception, give us a “supporting statement.” The supporting statement includes your doctor or other prescriber’s medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a “fast coverage decision.”

We use the “standard deadlines” unless we agree to use the “fast deadlines.”

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor's statement.

A "fast coverage decision" is called an "**expedited coverage determination.**"

You can get a fast coverage decision if:

- It's for a drug you didn't get. You can't get a fast coverage decision if you're asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn't meet the requirements for a fast coverage decision, we use the standard deadlines instead.
 - We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
 - You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K**.

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor's supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

Deadlines for a standard coverage decision about a drug you didn't get

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.

- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor's supporting statement for an exception.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

Deadlines for a standard coverage decision about a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

G5. Making a Level 1 Appeal

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan "**redetermination**".

- Start your **standard** or **fast appeal** by calling (800) 665-3086, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision. If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

A fast appeal is also called an "**expedited redetermination.**"

- If you appeal a decision we made about a drug you didn't get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4**.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.
 - We give you our answer sooner if your health requires it.
 - If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within 7 calendar days** after we get your appeal for a drug you didn't get.
- We give you our decision sooner if you didn't get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.
 - If we don't give you a decision within 7 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.

If we say **Yes** to part or all of your request:

- We must **provide the coverage** we agreed to provide as quickly as your health requires, but **no later than 7 calendar days** after we get your appeal.
- We must **send payment to you** for a drug you bought **within 30 calendar days** after we get your appeal.

If we say **No** to part or all of your request:

- We send you a letter that explains the reasons and tells you how you can make an appeal.
- We must give you our answer about paying you back for a drug you bought **within 14 calendar days** after we get your appeal.
 - If we don't give you a decision within 14 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must pay you within 30 calendar days after we get your request.

- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the “Independent Review Organization” (IRO) is the “**Independent Review Entity**”, sometimes called the “**IRE**”.

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your “case file”. **You have the right to a free copy of your case file.**
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO’s decision.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **within 7 calendar days** after they get your appeal for a drug you didn’t get.
- **within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO’s decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO’s decision.

- If the IRO says No to your appeal, it means they agree with our decision not to approve your request. This is called “upholding the decision” or “turning down your appeal”.

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can't make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - Decide if you want to make a Level 3 Appeal.
 - Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of this *Member Handbook*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your “discharge date.”
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you're concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called “An Important Message from Medicare about Your Rights.” Everyone with Medicare gets a copy of this notice whenever they're admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - Be a part of any decisions about the length of your hospital stay.
 - Know where to report any concerns you have about the quality of your hospital care.
 - Appeal if you think you're being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
 - You or someone acting on your behalf can sign the notice.
 - Signing the notice **only** shows that you got the information about your rights. Signing **doesn't** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at 1-800 MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- Visit www.cms.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

H2. Making a Level 1 Appeal

To ask for us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They aren't part of our plan.

In South Carolina, the QIO is Acentra Health. Call them at 1-888-317-0751, TTY: 711. Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

Call the QIO before you leave the hospital and no later than your planned discharge date.

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO's decision about your appeal.
- **If you don't call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.

Ask for help if you need it. If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the State Health Insurance Assistance Program (SHIP), known as I-CARE in South Carolina, at 1-800-868-9095. TTY users should call 711.

Ask for a fast review. Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

The legal term for “**fast review**” is “**immediate review**” or “**expedited review.**”

What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren't required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that's the right discharge date that's medically appropriate for you.

The legal term for this written explanation is the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE (1-800-633-4227). (TTY users should call 1-877-486-2048.) You can also refer to a sample notice online at www.cms.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Within one full day after getting all of the information it needs, the QIO give you their answer to your appeal.

If the QIO says **Yes** to your appeal:

- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-888-317-0751, TTY: 711 from 9 a.m. to 5 p.m. Monday through Friday and from 11 a.m. to 3 p.m. on Saturdays, Sundays, and holidays. You can also leave a message at any time.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says Yes to your appeal:

- We must pay you back for our share of hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we'll stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing **doesn't** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K**.
- **Ask for help if you need it.** If you have questions or need help at any time:
 - Call Member Services at the numbers at the bottom of the page.
 - Call the State Health Insurance Assistance Program (SHIP), known as I-CARE in South Carolina, at 1-800-868-9095. TTY users should call 711.
- **Contact the QIO.**
 - Refer to **Section H2** or refer to **Chapter 2** of this *Member Handbook* for more information about the QIO and how to contact them.
 - Ask them to review your appeal and decide whether to change our plan's decision.
- **Act quickly and ask for a "fast-track appeal."** Ask the QIO if it's medically appropriate for us to end coverage of your medical services.

Your deadline for contacting this organization

- You must contact the QIO to start your appeal by noon of the day before the effective date on the "Notice of Medicare Non-Coverage" we sent you.

The legal term for the written notice is "Notice of Medicare Non-Coverage". To get a sample copy, call Member Services at the numbers at the bottom of the page or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. Or get a copy online at www.cms.gov/Medicare/Medicare-General-Information/BNI/FFS-Expedited-Determination-Notices.

What happens during a fast-track appeal

- Reviewers at the QIO ask you or your representative why you think coverage should continue. You aren't required to write a statement, but you may.

- Reviewers look at your medical information, talk with your doctor, and review information that our plan gave them.
- Our plan also sends you a written notice that explains our reasons for ending coverage of your services. You get the notice by the end of the day the reviewers inform us of your appeal.

The legal term for the notice explanation is “**Detailed Explanation of Non-Coverage**”.

- Reviewers tell you their decision within one full day after getting all the information they need.

If the QIO says **Yes** to your appeal:

- We'll provide your covered services for as long as they are medically necessary.

If the QIO says **No** to your appeal:

- Your coverage ends on the date we told you.
- We stop paying our share of the costs of this care on the date in the notice.
- You pay the full cost of this care yourself if you decide to continue the home health care, skilled nursing facility care, or CORF services after the date your coverage ends
- You decide if you want to continue these services and make a Level 2 Appeal.

13. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-888-317-0751, TTY: 711, from 9 a.m. to 5 p.m. Monday through Friday and from 11 a.m. to 3 p.m. on Saturdays, Sundays, and holidays. You can also leave a message at any time.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you continue care after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says Yes to your appeal:

- We pay you back for our share of the costs of care you got since the date when we said your coverage would end. We'll provide coverage for the care for as long as it is medically necessary.

If the QIO says No to your appeal:

- They agree with our decision to end your care and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

J. Taking your appeal beyond Level 2

J1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both of your appeals were turned down, you may have the right to additional levels of appeal.

If the dollar value of the Medicare service or item you appealed doesn't meet a certain minimum dollar amount, you can't appeal any further. If the dollar value is high enough, you can continue the appeals process. The letter you get from the IRO for your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal, we have the right to appeal a Level 3 decision that is favorable to you.

- If we decide **to appeal** the decision, we send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the ALJ or attorney adjudicator's decision.
 - If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.
- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

Level 4 Appeal

The Medicare Appeals Council (Council) reviews your appeal and gives you an answer. The Council is part of the federal government.

If the Council says **Yes** to your Level 4 Appeal or denies our request to review a Level 3 Appeal decision favorable to you, we have the right to appeal to Level 5.

- If we decide **to appeal** the decision, we'll tell you in writing.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the Council's decision.

If the Council says **No** or denies our review request, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.

- If you decide **not to accept** this decision that turns down your appeal, you may be able to continue to the next level of the review process. The notice you get will tell you if you can go on to a Level 5 Appeal and what to do.

Level 5 Appeal

- A Federal District Court judge will review your appeal and all of the information and decide **Yes** or **No**. This is the final decision. There are no other appeal levels beyond the Federal District Court.

J2. Additional Healthy Connections Medicaid appeals

You also have other appeal rights if your appeal is about services or items that Healthy Connections Medicaid usually covers. The letter you get from the Division of Appeals and Hearings will tell you what to do if you want to continue the appeals process.

If you made a Level 1 Appeal and a Level 2 Appeal for Healthy Connections Medicaid services or items, and both of your appeals were turned down, you have the right to additional levels of appeal. If you have questions after your Level 2 Appeal, contact the ombudsman at 1-844-477-4632. TTY users should call 711. This advocate will explain your options and will always act in your best interest.

Level 3 of the appeals process is an Administrative Law Court (ALC) hearing. If you want an ALC hearing, start by completing the “Request for Contested Case Hearing” form available at www.scalc.net/pub/pubRequestForContestedCaseHearing.pdf. You must submit this form within 30 calendar days of the date you were notified of the Level 2 decision. There is a \$25 fee to appeal. If you cannot afford the fee, you can file a “Request to Waive Filing Fee.” This form can be found at www.scalc.net/pub/pubRequestToWaiveFilingFee.pdf.

If you are appealing a Level 2 decision made by hearing, you will be responsible for the cost of making a transcript of the hearing. A transcript is a written record of the hearing. The cost of the transcript is approximately \$16 for each hour that the transcriptionist spends typing the transcript.

The rules for appealing to the ALC are found at www.scalc.net/rules.aspx. If you do not follow the rules, your appeal may be dismissed.

J3. Appeal Levels 3, 4 and 5 for Medicare Part D Drug Requests

This section may be right for you if you made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals were turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. The written response you get to your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal:

- The appeals process is over.
- We must authorize or provide the approved drug coverage within 72 hours (or 24 hours for an expedited appeal) or make payment no later than 30 calendar days after we get the decision.

If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

Level 4 Appeal

The Council reviews your appeal and gives you an answer. The Council is part of the federal government.

If the Council says **Yes** to your appeal:

- The appeals process is over.
- We must authorize or provide the approved drug coverage within 72 hours (or 24 hours for an expedited appeal) or make payment no later than 30 calendar days after we get the decision.

If the Council says **No** to your appeal or if the Council denies the review request, the appeals process may not be over.

- If you decide **to accept** the decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you may be able to continue to the next level of the review process. The notice you get will tell you if you can go on to a Level 5 Appeal and what to do.

Level 5 Appeal

- A Federal District Court judge will review your appeal and all of the information and decide **Yes** or **No**. This is the final decision. There are no other appeal levels beyond the Federal District Court.

K. How to make a complaint

K1. What kinds of problems should be complaints

The complaint process is used for certain types of problems only, such as problems about quality of care, waiting times, coordination of care, and customer service. Here are examples of the kinds of problems handled by the complaint process.

| Complaint | Example |
|------------------------------|--|
| Quality of your medical care | <ul style="list-style-type: none"> • You're unhappy with the quality of care, such as the care you got in the hospital. |

| Complaint | Example |
|---|---|
| Respecting your privacy | <ul style="list-style-type: none"> You think that someone didn't respect your right to privacy or shared confidential information about you. |
| Disrespect, poor customer service, or other negative behaviors | <ul style="list-style-type: none"> A health care provider or staff was rude or disrespectful to you. Our staff treated you poorly. You think you're being pushed out of our plan. |
| Accessibility and language assistance | <ul style="list-style-type: none"> You can't physically access the health care services and facilities in a doctor or provider's office. Your doctor or provider doesn't provide an interpreter for the non-English language you speak (such as American Sign Language or Spanish). Your provider doesn't give you other reasonable accommodations you need and ask for. |
| Waiting times | <ul style="list-style-type: none"> You have trouble getting an appointment or wait too long to get it. Doctors, pharmacists, or other health professionals, Member Services, or other plan staff keep you waiting too long. |
| Cleanliness | <ul style="list-style-type: none"> You think the clinic, hospital or doctor's office isn't clean. |
| Information you get from us | <ul style="list-style-type: none"> You think we failed to give you a notice or letter that you should have received. You think written information we sent you is too difficult to understand. |
| Timeliness related to coverage decisions or appeals | <ul style="list-style-type: none"> You think we don't meet our deadlines for making a coverage decision or answering your appeal. You think that, after getting a coverage or appeal decision in your favor, we don't meet the deadlines for approving or giving you the service or paying you back for certain medical services. |

| Complaint | Example |
|-----------|---|
| | <ul style="list-style-type: none"> You don't think we sent your case to the IRO on time. |

There are different kinds of complaints. You can make an internal complaint and/or an external complaint. An internal complaint is filed with and reviewed by our plan. An external complaint is filed with and reviewed by an organization not affiliated with our plan. If you need help making an internal and/or external complaint, you can call complaints, read **Section K3**.

The legal term for a “complaint” is a “**grievance.**”
 The legal term for “making a complaint” is “**filing a grievance.**”

K2. Internal complaints

To make an internal complaint, call Member Services at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET. You can make the complaint at any time unless it's about a Medicare Part D drug. If the complaint is about a Medicare Part D drug, you must make it **within 60 calendar** days after you had the problem you want to complain about.

- If there's anything else you need to do, Member Services will tell you.
- You can also write your complaint and send it to us. If you put your complaint in writing, we'll respond to your complaint in writing.
- Complaints are grievances that must be resolved as expeditiously as your case requires, based on your health status, but no later than 30 calendar days after the date the Plan receives the oral or written grievance. Grievances filed orally, may be responded to orally unless the enrollee requests a written response or the grievance concerns quality of care. Molina Dual Options will complete the investigation as expeditiously as the case requires, based on the enrollee's health status, but no later than 30 days of receipt of the request, or within 24 hours for expedited grievances. Grievances filed in writing must be responded to in writing. Grievances may be filed orally by calling us at (844) 526-3195, TTY: 711, 7 Days a week, 8 a.m. to 5 p.m., local time; or in writing by mailing to: Molina Healthcare Attn: Appeals & Grievances P.O. Box 22816 Long Beach, CA 90801-9977, Fax: (562) 499-0610.

The legal term for “fast complaint” is “**expedited grievance.**”

If possible, we answer you right away. If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we'll do that.

- We answer most complaints within 30 calendar days. If we don't make a decision within 30 calendar days because we need more information, we notify you in writing. We also provide a status update and estimated time for you to get the answer.
- If you make a complaint because we denied your request for a "fast coverage decision" or a "fast appeal," we automatically give you a "fast complaint" and respond to your complaint within 24 hours.
- If you make a complaint because we took extra time to make a coverage decision or appeal, we automatically give you a "fast complaint" and respond to your complaint within 24 hours.

If we don't agree with some or all of your complaint, we'll tell you and give you our reasons. We respond whether we agree with the complaint or not.

K3. External complaints

Medicare

You can tell Medicare about your complaint or send it to Medicare. The Medicare Complaint Form is available at: www.medicare.gov/my/medicare-complaint. You don't need to file a complaint with Molina Medicare Complete Care Plus (HMO D-SNP) before filing a complaint with Medicare.

Medicare takes your complaints seriously and uses this information to help improve the quality of the Medicare program.

If you have any other feedback or concerns, or if you feel the health plan isn't addressing your problem, you can also call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. The call is free.

The Ombudsperson

You can call the ombudsperson to tell them about your complaint. They are not connected with us or any insurance company or health plan. The phone number for the ombudsperson is 1-844-477-4632. TTY users should call 711. This call is free and so are the services.

Office for Civil Rights (OCR)

You can make a complaint to the Department of Health and Human Services (HHS) OCR if you think you haven't been treated fairly. For example, you can make a complaint about disability access or language assistance. The phone number for the OCR is 1-800-368-1019. TTY users should call 1-800-537-7697. You can visit www.hhs.gov/ocr for more information.

You may also contact the local OCR office at:

Office for Civil Rights
U.S. Department of Health & Human Services
Sam Nunn Atlanta Federal Center, Suite 16T70
61 Forsyth Street, S.W.
Atlanta, GA 30303-8909
Phone: (800) 368-1019; TTY: (800) 537-7697
Fax: (202) 619-3818

You may also have rights under the Americans with Disability Act (ADA) and under state law. You can contact the Healthy Connections Prime Advocate for assistance. The phone number is 1-844-477-4632. TTY users should call 711.

QIO

When your complaint is about quality of care, you have two choices:

- You can make your complaint about the quality of care directly to the QIO.
- You can make your complaint to the QIO and to our plan. If you make a complaint to the QIO, we work with them to resolve your complaint.

The QIO is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. To learn more about the QIO, refer to **Section H2** or refer to **Chapter 2** of this *Member Handbook*.

In South Carolina, the QIO is called Acentra Health. The phone number for Acentra Health is 1-888-317-0751. TTY users call 711.

Chapter 10: Ending your membership in our Plan

Introduction

This chapter tells you when and how you can end your membership in our plan and what your health coverage options are after you leave our plan. If you leave our plan, you'll still be in the Medicare and Healthy Connections Medicaid programs as long as you're eligible. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

A. When you can end your membership in our Plan

Most people with Medicare can end their membership during certain times of the year. Since you also have Healthy Connections Medicaid, you can end your membership with our plan any month of the year.

In addition, Medicare rules mean you may end or switch your membership in our plan during the following periods each year:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you move out of our service area,
- your eligibility for Healthy Connections Medicaid or Extra Help changed, **or**
- if you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to change your plan. For example, if we get your request on October 18, your coverage with our plan ends on October 31. Your new coverage begins the first day of the next month (November 1, in this example).

If you leave our plan, you can get information about your:

- Medicare options in the table in **Section C1**.
- Medicaid services in the table in **Section C2**.

You can get more information about how you can end your membership by calling:

- Member Services at the number at the bottom of this page. The number for TTY users is listed too.
- Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- South Carolina Healthy Connections Choices at 1-877-552-4642, Monday through Friday from 8 a.m. to 6 p.m. TTY users should call 1-877-552-4670.
- State Health Insurance Assistance Program (SHIP), I-CARE, at 1-800-868-9095, Monday through Friday from 8:30 a.m. to 5 p.m. TTY users should call 711.

NOTE: If you're in a drug management program (DMP), you may not be able to change plans. Refer to Chapter 5 of this *Member Handbook* for information about drug management programs.

If you have questions, please call Molina Healthcare at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare. 197

B. How to end your membership in our plan

If you decide to end your membership you can enroll in another Medicare plan or switch to Original Medicare. However, if you want to switch from our plan to Original Medicare but you haven't selected a separate Medicare drug plan, you must ask to be disenrolled from our plan. There are two ways you can ask to be disenrolled:

- You can make a request in writing to us. Contact Member Services at the number at the bottom of this page if you need more information on how to do this.
- Call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users (people who have difficulty with hearing or speaking) should call 1-877-486-2048. When you call 1-800-MEDICARE, you can also enroll in another Medicare health or drug plan. More information on getting your Medicare services when you leave our plan is in the chart in **Section C1**.
- Call South Carolina Healthy Connections Choices at 1-877-552-4642, Monday through Friday from 8 a.m. to 6 p.m. TTY users should call 1-877-552-4670. Tell them you want to leave Molina Medicare Complete Care Plus (HMO D-SNP) and join a different plan. If you're not sure what plan you want to join, they can tell you about other plans in your area. **Section C** below includes steps that you can take to enroll in a different plan, which will also end your membership in our plan.

C. How to get Medicare and Healthy Connections Medicaid services separately

You have choices about getting your Medicare and Medicaid services if you choose to leave our plan.

C1. Your Medicare services

You have three options for getting your Medicare services listed below any month of the year. You have an additional option listed below during certain times of the year including the **Open Enrollment Period** and the **Medicare Advantage Open Enrollment Period** or other situations described in **Section A**. By choosing one of these options, you automatically end your membership in our plan.

C2. Your Healthy Connections Medicaid services

If you leave our plan, you will get your Healthy Connections Medicaid services through fee-for-service. This is how most people got Medicaid services before they joined Molina Medicare Complete Care Plus (HMO D-SNP).

Your Healthy Connections Medicaid services will include services covered by the South Carolina state plan, including behavioral health care.

D. Your medical items, services and drugs until your membership in our plan ends

If you leave our plan, it may take time before your membership ends and your new Medicare and Healthy Connections Medicaid coverage begins. During this time, you keep getting your drugs and health care through our plan until your new plan begins.

- Use our network providers to receive medical care.
- Use our network pharmacies including through our mail-order pharmacy services to get your prescriptions filled.

If you have questions, please call Molina Healthcare at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare. 201

- If you're hospitalized on the day that your membership in Molina Medicare Complete Care Plus (HMO D-SNP) ends, our plan will cover your hospital stay until you're discharged. This will happen even if your new health coverage begins before you're discharged.

E. Other situations when your membership in our plan ends

These are cases when we must end your membership in our plan:

- If there's a break in your Medicare Part A and Medicare Part B coverage.
- If you no longer qualify for Healthy Connections Medicaid. Our plan is for people who qualify for both Medicare and Medicaid. Please complete all paperwork from Healthy Connections Medicaid in order to retain your Medicaid eligibility.
- If you move out of our service area.
- If you're away from our service area for more than six months.
 - If you move or take a long trip, call Member Services to find out if where you're moving or traveling to is in our plan's service area.
- If you enter a nursing home or skilled nursing facility outside the plan's service area and live there for more than six months.
- If you go to jail or prison for a criminal offense.
- If you lie about or withhold information about other insurance you have for drugs.
- If you're not a United States citizen or aren't lawfully present in the United States.
 - You must be a United States citizen or lawfully present in the United States to be a member of our plan.
 - The Centers for Medicare & Medicaid Services (CMS) notify us if you're not eligible to remain a member on this basis.
 - We must disenroll you if you don't meet this requirement.

If you're within our plan's 3-month period of deemed continued eligibility, we'll continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period, we won't continue to cover Healthy Connections Medicaid benefits that are included under the applicable Medicaid State Plan, nor will we pay the Medicare premiums or cost sharing for which the state would otherwise be liable had you not lost your Medicaid eligibility. The amount you pay for Medicare-covered services may increase during this period.

We can make you leave our plan for the following reasons only if we get permission from Medicare and Healthy Connections Medicaid first:

- If you intentionally give us incorrect information when you're enrolling in our plan and that information affects your eligibility for our plan.
- If you continuously behave in a way that's disruptive and makes it difficult for us to provide medical care for you and other members of our plan.

- If you let someone else use your Member ID Card to get medical care. (Medicare may ask the Inspector General to investigate your case if we end your membership for this reason.)

F. Rules against asking you to leave our plan for any health-related reason

We can't ask you to leave our plan for any reason related to your health. If you think we're asking you to leave our plan for a health-related reason, **call Medicare** at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

G. Your right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership. You can also refer to **Chapter 9** of this *Member Handbook* for information about how to make a complaint.

H. How to get more information about ending your plan membership

If you have questions or would like more information on ending your membership, you can call Member Services at the number at the bottom of this page.

If you have questions, please call Molina Healthcare at (855) 735-5831, TTY: 711, 7 days a week, 8 a.m. to 8 p.m. ET. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare. 203

Chapter 11: Legal notices

Introduction

This chapter includes legal notices that apply to your membership in our plan. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

Table of Contents

| | |
|---|-----|
| A. Notice about laws | 205 |
| B. Notice about nondiscrimination | 205 |
| C. Notice about Medicare as a second payer and Healthy Connections Medicaid as a payer of last resort | 205 |

A. Notice about laws

Many laws apply to this *Member Handbook*. These laws may affect your rights and responsibilities even if the laws aren't included or explained in this *Member Handbook*. The main laws that apply are federal laws about the Medicare and Healthy Connections Medicaid programs. Other federal and state laws may apply too.

B. Notice about nondiscrimination

We don't discriminate or treat you differently because of your race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. In addition, we don't discriminate or treat you differently because of your health status, medical history, mental or physical disability, national origin, race, religion, sex, or sexual orientation behavior, mental ability, receipt of health care, sexual orientation, or use of services.

If you want more information or have concerns about discrimination or unfair treatment:

- Call the Department of Health and Human Services, Office for Civil Rights at 1 800-368-1019. TTY users can call 1-800-537-7697. You can also visit www.hhs.gov/ocr for more information.
- Call your local Office for Civil Rights. You can call The South Carolina Human Affairs Commission at 1-800-521-0725. This call is free.
- If you have a disability and need help accessing health care services or a provider, call Member Services. If you have a complaint, such as a problem with wheelchair access, Member Services can help.

C. Notice about Medicare as a second payer and Healthy Connections Medicaid as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that Healthy Connections Medicaid is the payer of last resort.

Chapter 12: Definitions of important words

Introduction

This chapter includes key terms used throughout this *Member Handbook* with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Member Services.

Activities of daily living (ADL): The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing their teeth.

Administrative law judge: A judge that reviews a level 3 appeal.

Aid paid pending: You can continue getting previously approved services while you are waiting for a decision about a Level 1 Appeal (and for a Healthy Connections Medicaid service, while you are waiting for a decision about a Level 2 Appeal). This continued coverage is called “aid paid pending.” Please refer to **Chapter 9** to learn more. Please call Member Services at the number at the bottom of the page if you have other questions.

AIDS drug assistance program (ADAP): A program that helps eligible individuals living with HIV/AIDS have access to life-saving HIV medications.

Ambulatory surgical center: A facility that provides outpatient surgery to patients who do not need hospital care and who are not expected to need more than 24 hours of care.

Appeal: A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal. Chapter 9 explains appeals, including how to make an appeal.

Behavioral Health: An all-inclusive term referring to mental health and substance use disorders.

Biological Product: A prescription drug that is made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and cannot be copied exactly, so alternative forms are called biosimilars. (See also “Original Biological Product” and “Biosimilar”).

Biosimilar: A biological product that is very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription. (See “Interchangeable Biosimilar”).

Brand name drug: A prescription drug that is made and sold by the company that originally made the drug. Brand name drugs have the same active ingredients as the generic versions of the drugs. Generic drugs are made and sold by other drug companies.

Care coordinator: One main person who works with you, with the health plan, and with your care providers to make sure you get the care you need.

Care plan: Refer to “Individualized Care Plan.”

Care team: Refer to “Interdisciplinary Care Team.”

Catastrophic coverage stage: The stage in the Medicare Part D drug benefit where our plan pays all costs of your drugs until the end of the year. You begin this stage when you (or other qualified parties on your behalf) have spent \$2,100 for Part D covered drugs during the year. You pay nothing.

Centers for Medicare & Medicaid Services (CMS): The federal agency in charge of Medicare. Chapter 2 explains how to contact CMS.

Complaint: A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of your care, our network providers, or our network pharmacies. The formal name for “making a complaint” is “filing a grievance.”

Comprehensive assessment: A review aimed at getting a deeper look at your medical needs, social needs, and capabilities. We will get information from you, your providers, and family/caregivers when appropriate. This assessment will be done by qualified and trained health professionals, such as nurses, social workers, and Care Coordinators.

Comprehensive Outpatient Rehabilitation Facility (CORF): A facility that mainly provides rehabilitation services after an illness, accident, or major operation. It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

Coordinated and Integrated Care Organization (CICO): Another name for a Medicare-Medicaid Plan.

Copay: A fixed amount you pay as your share of the cost each time you get certain services or drugs. For example, you might pay \$2 or \$5 for a drug.

Cost-sharing: Amounts you have to pay when you get certain services or drugs. Cost-sharing includes copays.

Cost-sharing tier: A group of drugs with the same copay. Every drug on the List of Covered Drugs (also known as the Drug List) is in one of six (6) cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Coverage decision: A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we will pay for your health services. Chapter 9 explains how to ask us for a coverage decision.

Covered drugs: The term we use to mean all of the prescription drugs covered by our plan.

Covered services: The general term we use to mean all of the health care, long-term services and supports, supplies, prescription and over-the-counter drugs, equipment, and other services covered by our plan.

Cultural competence training: Training that provides additional instruction for health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Daily cost-sharing rate: A rate that may apply when your doctor prescribes less than a full month’s supply of certain drugs for you and you’re required to pay a copay. A daily cost-sharing rate is the copay divided by the number of days in a month’s supply.

Here is an example: Let’s say the copay for your drug for a full month’s supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7-day supply of the drug, your payment is less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.

Disenrollment: The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Drug tiers: Groups of drugs on our Drug List. Generic, brand name, or over-the-counter (OTC) drugs are examples of drug tiers. Every drug on the Drug List is in one of six (6) tiers.

Durable Medical Equipment (DME): Certain items your doctor orders for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Emergency: A medical emergency is when you, or any other person with an average knowledge of health and medicine, believe that you have medical symptoms that need immediate medical attention to prevent death, loss of a body part, or loss of function of a body part. The medical symptoms may be a serious injury or severe pain.

Emergency care: Covered services that are given by a provider trained to give emergency services and needed to treat a medical emergency.

Exception: Permission to get coverage for a drug that is not normally covered or to use the drug without certain rules and limitations.

Excluded Services: Services that aren't covered by this health plan.

Extra Help: Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the "Low-Income Subsidy," or "LIS."

Fair hearing: A chance for you to tell your problem in court and show that a decision we made is wrong.

Generic drug: A prescription drug that is approved by the federal government to use in place of a brand name drug. A generic drug has the same active ingredients as a brand name drug. It is usually cheaper and works just as well as the brand name drug.

Grievance: A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care.

Health plan: An organization made up of doctors, hospitals, pharmacies, providers of long-term services, and other providers. It also has Care Coordinators to help you manage all your providers and services. They all work together to provide the care you need.

Health risk assessment (HRA): A review of your medical history and current condition. It's used to learn about your health and how it might change in the future.

Healthy Connections Medicaid: This is the name of South Carolina's Medicaid program. Healthy Connections Medicaid is run by the state and is paid for by the state and the federal government. It helps people with limited incomes and resources pay for long-term services and supports and medical costs. It covers extra services and some drugs not covered by Medicare. Refer to **Chapter 2** for information about how to contact Healthy Connections Medicaid.

Home health aide: A person who provides services that do not need the skills of a licensed nurse or therapist, such as help with personal care (like bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides do not have a nursing license or provide therapy.

Hospice: A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has a terminal illness and is expected to have six months or less to live.

- An enrollee who has a terminal prognosis has the right to elect hospice.
- A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs.
- We're required to give you a list of hospice providers in your geographic area.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than our cost-sharing amount for services. Call Member Services if you get any bills you don't understand. Because we pay the entire cost for your services, you **don't** owe any cost sharing. Providers shouldn't bill you anything for these services.

Independent review organization (IRO): An independent organization hired by Medicare that reviews a level 2 appeal. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work. The formal name is the Independent Review Entity.

Individualized Care Plan (ICP or Care Plan): A plan for what services you'll get and how you'll get them. Your plan may include medical services, behavioral health services, and long-term services and supports.

Initial coverage stage: The stage before your total Medicare Part D drug expenses reach \$2,100. This includes amounts you paid, what our plan paid on your behalf, and the low-income subsidy. You begin in this stage when you fill your first prescription of the year. During this stage, we pay part of the costs of your drugs, and you pay your share.

Initial health screen: A review of a patient's medical history and current condition. It is used to figure out the patient's health and how it might change in the future.

Inpatient: A term used when you have been formally admitted to the hospital for skilled medical services. If you were not formally admitted, you might still be considered an outpatient instead of an inpatient even if you stay overnight.

Interdisciplinary Care Team (ICT or Care team): A care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your care team also helps you make a care plan.

Integrated D-SNP: A dual-eligible special needs plan that covers Medicare and most or all Medicaid services under a single health plan for certain groups of individuals eligible for both Medicare and Medicaid. These individuals are known as full-benefit dually eligible individuals. Our health plan is an integrated D-SNP.

Interchangeable Biosimilar: A biosimilar that may be substituted at the pharmacy without needing a new prescription because it meets additional requirements related to the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

List of Covered Drugs (Drug List): A list of prescription drugs covered by the plan. The plan chooses the drugs on this list with the help of doctors and pharmacists. The *Drug List* tells you if there are any rules you need to follow to get your drugs. The *Drug List* is sometimes called a “formulary.”

Long-Term Services and Supports (LTSS): Long-term services and supports are services that help improve a long-term medical condition. Most of these services help you stay in your home so you don’t have to go to a nursing home or hospital.

Low-Income Subsidy (LIS): Refer to “Extra Help.”

Managed Care Organization: A health plan that serves members on a risk basis through a network of employed or affiliated providers.

Medicaid (or Medical Assistance): A program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs.

Medically necessary:

This describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.

Medicare: The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare or a managed care plan (refer to “Health plan”).

Medicare Advantage Plan: A Medicare program, also known as “Medicare Part C” or “MA Plan,” that offers plans through private companies. Medicare pays these companies to cover your Medicare benefits.

Medicare Appeals Council (Council): A council that reviews a level 4 appeal. The Council is part of the Federal government.

Medicare-covered services: Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services that are covered by Medicare Part A and Part B.

Medicare diabetes prevention program (MDPP): A structured health behavior change program that provides training in long-term dietary change, increased physical activity, and strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle.

Medicare-Medicaid enrollee: A person who qualifies for Medicare and Healthy Connections Medicaid coverage. A Medicare-Medicaid enrollee is also called a “dually eligible individual.”

Medicare Part A: The Medicare program that covers most medically necessary hospital, skilled nursing facility, home health, and hospice care.

Medicare Part B: The Medicare program that covers services (like lab tests, surgeries, and doctor visits) and supplies (like wheelchairs and walkers) that are medically necessary to treat a disease or condition. Medicare Part B also covers many preventive and screening services.

Medicare Part C: The Medicare program that lets private health insurance companies provide Medicare benefits through a Medicare Advantage Plan.

Medicare Part D: The Medicare prescription drug benefit program. Part D covers outpatient prescription drugs, vaccines, and some supplies not covered by Medicare Part A or Part B or Healthy Connections Medicaid. Molina Dual Options includes Medicare Part D.

Medicare Part D drugs: Drugs that can be covered under Medicare Part D. Congress specifically excluded certain categories of drugs from coverage as Part D drugs. Healthy Connections Medicaid may cover some of these drugs.

Medication Therapy Management (MTM): A Medicare Part D program for complex health needs provided to people who meet certain requirements or are in a Drug Management Program. MTM services usually include a discussion with a pharmacist or health care provider to review medications. Refer to Chapter 5 of this Member Handbook for more information.

Member (member of our plan, or plan member): A person with Medicare and Healthy Connections Medicaid who qualifies to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS) and the state.

Member Handbook and disclosure information: This document, along with your enrollment form and any other attachments or riders, which explain your coverage, what we must do, your rights, and what you must do as a member of our plan.

Member Services: A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals. Refer to Chapter 2 and the bottom of the page for information about how to contact Member Services.

Network pharmacy: A pharmacy (drug store) that has agreed to fill prescriptions for our plan members. We call them “network pharmacies” because they have agreed to work with our plan. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network provider: “Provider” is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

- They are licensed or certified by Medicare and by the state to provide health care services.
- We call them “network providers” when they agree to work with the health plan and accept our payment and not charge our members an extra amount.
- While you are a member of our plan, you must use network providers to get covered services. Network providers are also called “plan providers”

Nursing home or facility: A place that provides care for people who cannot get their care at home but who do not need to be in the hospital.

Ombudsman or Ombudsperson: An office in your state that works as an advocate on your behalf. They can answer questions if you have a problem or complaint and can help you understand what to do. The ombudsman's services are free. The Healthy Connections Prime Advocate is the ombudsman for people enrolled in Healthy Connections Prime. You can find more information about the ombudsman in **Chapters 2 and 9** of this handbook, including information on how to contact the Healthy Connections Prime Advocate.

Organization determination: The plan has made an organization determination when it, or one of its providers, makes a decision about whether services are covered or how much you have to pay for covered services. Organization determinations are called "coverage decisions" in this handbook. Chapter 9 explains how to ask us for a coverage decision.

Original biological product: A biological product that has been approved by the Food and Drug Administration (FDA) and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

Original Medicare (traditional Medicare or fee-for-service Medicare): Original Medicare is offered by the government. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers amounts that are set by Congress.

- You can use any doctor, hospital, or other health care provider that accepts Medicare. Original Medicare has two parts: Part A (hospital insurance) and Part B (medical insurance).
- Original Medicare is available everywhere in the United States.
- If you do not want to be in our plan, you can choose Original Medicare.

Out-of-network pharmacy: A pharmacy that has not agreed to work with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-network provider or Out-of-network facility: A provider or facility that is not employed, owned, or operated by our plan and is not under contract to provide covered services to members of our plan. Chapter 3 explains out-of-network providers or facilities.

Over-The-Counter (OTC) drugs: Over-the-counter drugs refers to any drug or medicine that a person can buy without a prescription.

Part A: Refer to "Medicare Part A."

Part B: Refer to "Medicare Part B."

Part C: Refer to "Medicare Part C."

Part D: Refer to "Medicare Part D."

Part D drugs: Refer to "Medicare Part D drugs."

Personal Health Information (also called Protected Health Information) (PHI): Information about you and your health, such as your name, address, social security number, physician visits, and medical

history. Refer to Molina Dual Option's Notice of Privacy Practices for more information about how Molina Dual Options protects, uses, and discloses your PHI, as well as your rights with respect to your PHI.

Preventive services: Health care to prevent illness or detect illness at an early stage, when treatment is likely to work best (for example, preventive services include Pap tests, flu shots, and screening mammograms).

Primary Care Provider (PCP): Your primary care provider is the doctor or other provider you use first for most health problems. They make sure you get the care you need to stay healthy.

- They also may talk with other doctors and health care providers about your care and refer you to them.
- In many Medicare health plans, you must use your primary care provider before you use any other health care provider.
- Refer to **Chapter 3** for information about getting care from primary care providers.

Prior Authorization (PA): An approval from us before you can get a specific service or drug or use an out-of-network provider. Our plan may not cover the service or drug if you don't get approval.

- Some network medical services are covered only if your doctor or other network provider gets prior authorization from our plan.
- Covered services that need our plan's prior authorization are marked in the Benefits Chart in **Chapter 4**.
- Some drugs are covered only if you get prior authorization from us.
- Covered drugs that need prior authorization are marked in the *List of Covered Drugs* and the rules are posted on the plan website.

Program of All-Inclusive Care for the Elderly (PACE): A program that covers Medicare and Medicaid benefits together for people age 55 and over who need a higher level of care to live at home.

Prosthetics and Orthotics: These are medical devices ordered by your doctor or other health care provider. Covered items include, but are not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO): A group of doctors and other health care experts who help improve the quality of care for people with Medicare. They are paid by the federal government to check and improve the care given to patients. Refer to **Chapter 2** for information about how to contact the QIO for your state.

Quantity limits: A limit on the amount of a drug you can have. Limits may be on the amount of the drug that we cover per prescription.

Real Time Benefit Tool: A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific covered drugs and benefit information. This includes cost sharing amounts, alternative drugs that may be used for the same health condition as a given drug, and coverage restrictions (prior authorization, step therapy, quantity limits) that apply to alternative drugs.

Referral: A referral means that your primary care provider (PCP) must give you approval before you can use someone that is not your PCP. If you don't get approval, Molina Dual Options may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. You can find more information about referrals in Chapter 3 and about services that require referrals in Chapter 4.

Rehabilitation services: Treatment you get to help you recover from an illness, accident or major operation. Refer to Chapter 4 to learn more about rehabilitation services.

Service area: A geographic area where a health plan accepts members. For plans that limit which doctors and hospitals you may use, it is also generally the area where you can get routine (non-emergency) services. Only people who live in our service area can get Molina Dual Options.

Share of cost: The portion of your health care costs that you may have to pay each month before your benefits become effective. The amount of your share of cost varies depending on your income and resources.

Skilled Nursing Facility (SNF): A nursing home with the staff and equipment to give skilled nursing care and, in most cases, skilled rehabilitative services and other related health services.

Skilled Nursing Facility (SNF) care: Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care include physical therapy or intravenous (IV) injections that a registered nurse or a doctor can give.

Specialist: A doctor who provides health care for a specific disease or part of the body.

State Hearing: If your doctor or other provider asks for a Healthy Connections Medicaid service that we won't approve, or we won't continue to pay for a Healthy Connections Medicaid service you already have, you can ask for a State Hearing. If the State Hearing is decided in your favor, we must give you the service you asked for.

State Medicaid agency: The South Carolina Department of Health and Human Services (SCDHHS) is designated as the single state agency for the administration of the Medicaid program (called "Healthy Connections Medicaid") in South Carolina. SCDHHS is a cabinet-level agency under the Governor of the State of South Carolina.

Step therapy: A coverage rule that requires you to first try another drug before we'll cover the drug you are asking for.

Supplemental Security Income (SSI): A monthly benefit paid by Social Security to people with limited incomes and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Tier: A tier is a group of drugs of generally the same type (for example, brand name, generic, or over-the-counter drugs).

Urgently needed care: Care you get for an unforeseen illness, injury, or condition that is not an emergency but needs care right away. You can get urgently needed care from out-of-network providers when you cannot get to a network provider because given your time, place or circumstances, it is not

possible, or it is unreasonable to obtain services from network providers. (For example, you can get urgently needed care when you are outside the plan's service area and you require medically needed immediate services for an unforeseen condition, but it is not a medical emergency.)

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice describes the privacy practices of Molina Healthcare's affiliated health plans (referred to herein as "**Molina**", "**we**" or "**our**"). We use and share protected health information ("**PHI**") about you to provide your health benefits as a Molina member. We use and share your PHI to carry out treatment, payment and health care operations. We also use and share your PHI for other reasons as allowed and required by law. We have the duty to keep your health information private and to follow the terms of this Notice. The effective date of this Notice is January 1, 2026.

PHI is health information that includes your name, member number or other identifiers, and is used or shared by us. PHI includes health information about substance use disorders and biometric information (like a voiceprint).

Why do we use or share your PHI?

We use or share your PHI to provide you with health care benefits. Your PHI is also used or shared for treatment, payment, and health care operations.

For Treatment

We may use or share your PHI to give you, or arrange for, your medical care. This treatment also includes referrals between your doctors or other health care providers. For example, we may share information about your health condition with a specialist. This helps the specialist talk about your treatment with your doctor.

For Payment

We may use or share PHI to make decisions on payment. This may include claims, approvals for treatment, and decisions about medical need. Your name, your condition, your treatment, and supplies given may be written on the bill. For example, we may let a doctor know that you have our benefits. We would also tell the doctor the amount of the bill that we would pay.

For Health Care Operations

We may use or share PHI about you to run our health plan(s). For example, we may use information from your claim to let you know about a health program that could help you. We may also use or share your PHI to solve your concerns. Your PHI may also be used to see that claims are paid right.

Health care operations involve many daily business needs. It includes but is not limited to, the following:

- Improving quality;
- Actions in health programs to help members with certain conditions (such as asthma);
- Conducting or arranging for medical review;
- Legal services, including fraud and abuse detection and prosecution programs;
- Actions to help us obey laws;
- Addressing member needs, including solving complaints and grievances.

We will share your PHI with other companies (“business associates”) that perform different kinds of activities for our health plan(s). We may also use your PHI to give you reminders about your appointments. We may use your PHI to give you information about other treatment(s), or other health-related benefits and services.

When can we use or share your PHI without getting written authorization (approval) from you?

In addition to treatment, payment and health care operations, the law allows or requires Molina to use and share your PHI for several other purposes including the following:

Required by law

We will use or share information about you as required by law. We will share your PHI when required by the Secretary of the Department of Health and Human Services (HHS). This may be for a court case, other legal review, or when required for law enforcement purposes.

Public Health

Your PHI may be used or shared for public health activities. This may include helping public health agencies to prevent or control disease.

Health Care Oversight

Your PHI may be used or shared with government agencies. They may need your PHI for audits.

Research

Your PHI may be used or shared for research in certain cases, such as when approved by a privacy or institutional review board.

Legal or Administrative Proceedings

Your PHI may be used or shared for legal proceedings, such as in response to a court order.

Law Enforcement

Your PHI may be used or shared with police for law enforcement purposes, such as to help find a suspect, witness or missing person.

Health and Safety

Your PHI may be shared to prevent a serious and imminent threat to the health or safety of a person or the public.

Government Functions

Your PHI may be shared with the government for special functions. An example would be to protect the President.

Victims of Abuse, Neglect or Domestic Violence

Your PHI may be shared with legal authorities if we believe that a person is a victim of abuse or neglect.

Workers' Compensation

Your PHI may be used or shared to obey Workers' Compensation laws.

Other Disclosures

Your PHI may be shared with funeral directors or coroners to help them do their jobs.

Additional Restrictions on Use and Disclosure.

Some federal and state laws may require special privacy protections that restrict the use and disclosure of certain types of health information. Such laws may protect the following types of information: alcohol and substance use disorders, biometric information, child or adult abuse or neglect including sexual assault, communicable diseases, genetic information, HIV/AIDS, mental health, minors' information, prescriptions, reproductive health, and sexually transmitted diseases. We will follow the more stringent law, where it applies to us.

Substance Use Disorder (SUD) Information.

Although we are not a substance use disorder treatment program under federal law (a "SUD Program"), we may receive information from a SUD Program about you. We may not disclose SUD information for use in a civil, criminal, administrative, or legislative proceeding against you unless we have (i) your written consent, or (ii) a court order accompanied by a subpoena or other legal requirement compelling disclosure issued after we and you were given notice and an opportunity to be heard.

When do we need your written authorization (approval) to use or share your PHI?

We need your written approval to use or share your PHI for a purpose other than those listed in this Notice. We need your authorization before we disclose your PHI for the following: (1) most uses and disclosures of psychotherapy notes; (2) uses and disclosures for marketing purposes; and (3) uses and disclosures that involve the sale of PHI. You may cancel a written approval that you have given us. Your cancellation will not apply to actions already taken by us because of the approval you already gave to us.

What are your health information rights?

You have the right to:

- **Request Restrictions on PHI Uses or Disclosures (Sharing of Your PHI)**

You may ask us not to share your PHI to carry out treatment, payment or health care operations. You may also ask us not to share your PHI with family, friends or other persons you name who are involved in your health care. However, we are not required to agree to your request. You will need to make your request in writing. You may use our form to make your request.

- **Request Confidential Communications of PHI**

You may ask Molina to give you your PHI in a certain way or at a certain place to help keep your PHI private. We will follow reasonable requests, if you tell us how sharing all or a part of that PHI could put your life at risk. You will need to make your request in writing. You may use our form to make your request.

- **Review and Copy Your PHI**

You have a right to review and get a copy of your PHI held by us. This may include records used in making coverage, claims and other decisions about you as our member. You will need to make your request in writing. You may use our form to make your request. We may charge you a reasonable fee for copying and mailing the records. In certain cases, we may deny the request. *Important Note: We do not have complete copies of your medical records. If you want to look at, get a copy of, or change your medical records, please contact your doctor or clinic.*

- **Amend Your PHI**

You may ask that we amend (change) your PHI. This involves only those records kept by us about you as a member. You will need to make your request in writing. You may use our form to make your request. You may file a letter disagreeing with us if we deny the request.

- **Receive an Accounting of PHI Disclosures (Sharing of Your PHI)**

You may ask that we give you a list of certain parties that we shared your PHI with during the six years prior to the date of your request. The list will not include PHI shared as follows:

- for treatment, payment or health care operations;
- to persons about their own PHI;
- sharing done with your authorization;
- incident to a use or disclosure otherwise permitted or required under applicable law;
- PHI released in the interest of national security or for intelligence purposes; or
- as part of a limited data set in accordance with applicable law.

We will charge a reasonable fee for each list if you ask for this list more than once in a 12- month period. You will need to make your request in writing. You may use our form to make your request.

You may make any of the requests listed above, or may get a paper copy of this Notice. Please call our Member Services department at the toll-free number on the back of your ID card, 7 days a week, 8 a.m. to 8 p.m., local time. TTY/ TDD users, please call 711.

What can you do if your rights have not been protected?

You may complain to us and to the Department of Health and Human Services if you believe your privacy rights have been violated. We will not do anything against you for filing a complaint. Your care and benefits will not change in any way.

You may file a complaint with us at:

Call Member Services at the toll-free number on the back of your ID card, 7 days a week, 8 a.m. to 8 p.m., local time. TTY/TDD users, please call 711. Or write to us at:

What are our duties?

We are required to:

- Keep your PHI private;
- Give you written information such as this on our duties and privacy practices about your PHI;
- Provide you with a notice in the event of any breach of your unsecured PHI;
- Not use or disclose your genetic information for underwriting purposes;
- Follow the terms of this Notice.

This Notice is Subject to Change

We reserve the right to change its information practices and terms of this Notice at any time. If we do, the new terms and practices will then apply to all PHI we keep. If we make any material changes, we will post the revised Notice on our website and send the revised Notice, or information about the material change and how to obtain the revised Notice, in our next annual mailing to our members then covered by us. This Notice is available on our website at MolinaHealthcare.com.
