Introduction

Getting to Know Molina Healthcare of Wisconsin

At Molina Healthcare of Wisconsin, one of our most important activities is to communicate how we work. This will help us keep you healthy.

Our Provider Directory will help you get started making decisions about your health care. You will also learn some helpful tips on how to use Molina's services and benefits. You can find the following information about Molina's doctors and other health care providers in your Provider Directory:

- Names
- Addresses
- Telephone numbers
- Languages spoken
- Availability of service locations
- Accessibility of provider office locations including parking, restrooms, exam rooms, etc.

You can also find out if a provider (doctors, dentists, hospitals, specialists, or medical clinics) is accepting new patients in your Provider Directory or online via our website at **MolinaHealthcare.com/WI**.

Together, we can be partners for your good health!

Find Your Doctor

Your Primary Care Provider (PCP) knows you well and takes care of all your medical needs. It's important to have a doctor who makes you feel comfortable. It's easy to choose one with our Provider Directory, which is a list of doctors. You can pick a doctor for you and another for other Molina members in your family, or one who sees all of you.

Schedule your first visit to get to know your doctor. Call us at (888) 999-2404 (TTY: 711) if you need help making an appointment or finding a doctor. If you do not choose a doctor, Molina will do it for you. Molina will choose a doctor based on your address, preferred language and doctors your family has seen in the past.

How to Choose a Primary Care Provider (PCP)

It is important to choose a PCP to manage all your health care. You can choose one from the list of doctors accepting new patients, as marked in the Molina Provider Directory. HMO doctors are sensitive to the needs of many cultures. Visit MyMolina.com to choose your PCP, or call Member Services for help. When you need care, call your PCP first. Your PCP will help you decide if you need to see another doctor or specialist. If needed, your PCP will give you a referral. Remember, you should get approval from your PCP before you see another doctor.

Women may choose a women's health specialist, such as an Obstetrician or Gynecologist (OB/GYN) or nurse midwife, without a referral from their PCP. Women may also choose one of these women's health specialists as their PCP.

What if I Want to Change my Primary Care Provider?

If for any reason you want to change your primary doctor, go to MyMolina.com. You can also call Member Services at (888) 999-2404 (TTY: 711).

How to Get Specialty Care and Referrals

If you need care that your PCP cannot give, he or she will refer you to a specialist who can. Talk with your PCP to be sure you know how referrals work. If you think a specialist does not meet your needs, talk to your PCP. Your PCP can help you if you need to see a different specialist. There are some treatments and services that your PCP must ask Molina to approve before you can get them. That is called a "pre-authorization." Your PCP will be able to tell you what services require this approval.

If we do not have a specialist in Molina who can give you the care you need, we will get you the care you need from a specialist outside Molina. Getting a referral from your PCP ensures your health care is coordinated and all your providers know your health care goals and plans.

For members requesting care from a specialist outside the network, your PCP or the specialist you are seeing needs to request prior approval of specialty care or services from Molina via fax or phone call. This request for prior approval must be done before any treatments or tests take place. If a request for specialty care is denied by Molina, we will send you a letter within three days of the denial. You or your PCP can appeal our decision. If your PCP or Molina refers you to a provider outside our network, you are not responsible for any of the costs. Molina will pay for these services.

Urgent Care

Urgent care is care you need sooner than a routine doctor's visit, but it is not emergency care. Do not go to a hospital emergency room for urgent care unless your doctor tells you to go there. Some examples are:

- Bruises
- Minor burns
- Minor cuts
- Most broken bones
- Most drug reactions
- Bleeding that is not severe
- Sprains

You must get urgent care from Molina doctors unless you get our approval to see a non-Molina doctor. Do not go to a hospital emergency room for urgent care unless you get approval from Molina first. If you need urgent care, call Member Services.

What is an Emergency?

An emergency needs to be taken care of right away. You don't need approval for an emergency. If you need emergency care, try to go to a Molina provider for help. If your condition cannot wait, go to the nearest provider (hospital, doctor, or clinic). If the emergency is very severe and you're unable to get to the nearest provider, call 911 or your local police or fire department emergency services.

If you must go to a non-Molina hospital or provider tell Molina what happened as soon as you can. Remember, hospital emergency rooms are for true emergencies only. Unless you have a true emergency, call your doctor or our 24-Hour Nurse Advice Line number at (888) 275- 8750 or (866) 648-3537 (Español), (TTY: 711). Your PCP or advice nurse can talk to you about your medical problem. We will tell you where you can get care.

If you are not sure whether you need to go to the emergency room, call your PCP or Molina's 24-Hour Nurse Advice Line at (888) 275-8750 or (866) 648-3537 (Español), (TTY: 711). Your PCP or the Molina Nurse Advice Line can talk to you about your medical problem and give you advice on what you should do.

Juntos podemos contribuir a su buena salud!

Encuentre a su Doctor

Su proveedor de cuidados primarios (PCP) le conoce bien y se ocupa de sus necesidades médicas. Es importante contar con un médico que le haga sentir cómodo(a). La tarea de elegirlo es fácil gracias a nuestro directorio de proveedores, que es una lista de médicos. Puede escoger uno para usted y otro para los demás miembros de su familia, o bien uno que los atienda a todos.

Programe su primera consulta para conocer a su médico. Llámenos al (888) 999-2404 (TTY: 711) si necesita ayuda para concertar una cita o para encontrar un médico. Si no elige un médico, Molina elegirá uno por usted. Molina elegirá un médico según su dirección, su idioma de preferencia y los médicos con los que su familia se haya atendido en el pasado.

Cómo Elegir un Proveedor de Cuidados Primarios (PCP)

Es importante elegir un PCP para administrar toda su atención médica. Puede elegir uno de la lista de médicos que aceptan nuevos pacientes, como se indica en el Directorio de Proveedores de Molina. Los médicos de HMO son sensibles a las necesidades de muchas culturas. Visite MyMolina.com para elegir su PCP o llame al Departamento de Servicios para Miembros para obtener ayuda. Si necesita atención médica, llame a su proveedor de atención primaria. Su PCP puede ayudarle si necesita ver a médico o un especialista diferente. Su PCP lo derivará si es necesario. Recuerde que debe obtener la aprobación de su PCP antes de ver a otro médico.

Las mujeres pueden elegir un especialista en salud de la mujer, como un obstetra o ginecólogo (OB/GYN) o una enfermera partera, sin una derivación de su PCP. Las mujeres también pueden elegir a uno de estos especialistas en salud de la mujer como su PCP.

¿Qué pasa si deseo cambiar a mi proveedor de atención primaria?

Si por algún motivo desea cambiar su doctor primario, visite MyMolina.com. También puede llamar al Departamento de Servicios para Miembros al (888) 999-2404, TTY: 711).

Cómo obtener Cuidado Especializado y Remisiones

Si necesita un tipo de atención que su PCP no puede brindarle, él o ella le derivará a un especialista que pueda hacerlo. Hable con su PCP para asegurarse de saber cómo funcionan las remisiones. Si considera que un especialista no satisface sus necesidades, hable con su PCP. Su PCP puede ayudarle si necesita ver a un especialista diferente. Antes de brindarle ciertos tratamientos y servicios, su PCP deberá solicitar la aprobación de Molina. A esto se lo denomina "autorización previa". Su PCP podrá decirle qué servicios requieren de esta aprobación.

Si Molina no cuenta con un especialista que pueda brindarle la atención que necesita, nosotros se la brindaremos a través de un especialista que no pertenezca a Molina. La remisión de su PCP garantiza que se coordine su atención médica y que todos los proveedores conozcan sus objetivos y planes de atención médica.

Para los miembros que solicitan atención de un especialista que no pertenezca a la red, es necesario que su PCP o el especialista que le atiende soliciten a Molina la autorización previa para cuidados o servicios especializados. Podrá solicitar dicha autorización por fax o teléfono. Esta solicitud de autorización previa debe presentarse antes de que se realice cualquier tratamiento o estudio. Si Molina deniega una solicitud de cuidado especializado, le enviaremos una carta en un plazo de tres días a partir de la denegación. Usted o su PCP pueden apelar la decisión. Si su PCP o Molina lo derivan a un

proveedor fuera de nuestra red, usted no será responsable del pago de ningún costo. Molina pagará por estos servicios.

Atención de urgencia

La atención médica urgente es la que necesita antes que una visita médica de rutina, pero no es una atención médica de emergencia. No acuda a la sala de emergencias de un hospital para recibir atención de urgencia, a menos que su médico le indique que lo haga. A continuación, le indicamos algunos ejemplos:

- Moretones
- Quemaduras leves
- Cortaduras menores
- Fracturas graves
- La mayoría de las reacciones a los medicamentos
- Sangrado que no es grave
- Esguinces

Debe recibir atención médica urgente de los médicos de Molina a menos que obtenga nuestra aprobación para consultar a un médico que no sea de Molina. Nunca acuda a una sala de emergencias de un hospital para recibir atención de urgencia a menos que obtenga primero la aprobación de Molina. Si necesita un intérprete, llame al Departamento de Servicios para Miembros.

¿Qué es una Emergencia?

Una emergencia se debe atender con la mayor celeridad. No necesita aprobación en caso de emergencia. Si necesita atención de emergencia, intente acudir a un proveedor de Molina para obtener ayuda. Si su afección no puede esperar, vaya al proveedor más cercano (hospital, médico o clínica). Si la emergencia es muy grave y no puede llegar al proveedor más cercano, llame al 911 o a los servicios de emergencia de su policía o departamento de bomberos local.

Si debe ir a un hospital o proveedor que no sea de Molina, dígale a Molina lo que sucedió lo antes posible. Recuerde que las salas de emergencia del hospital son solo para emergencias reales. Si tiene preguntas sobre su salud, llame a nuestra Línea de Consejos de Enfermería las 24 horas al (888) 275-8750 o al (866) 648-3537 (español), (TTY: 711). Su PCP o enfermera de consulta puede hablar con usted sobre su problema médico. Le informaremos si tiene continuidad de la atención.

Si no está seguro de si necesita ir a la sala de emergencias, llame a su PCP o a

la Línea de Consejos de Enfermería disponible las 24 horas de Molina Healthcare al (888) 275-8750 o al (866) 648-3537 (español), (TTY: 711). Su proveedor de atención primaria (PCP) o la Línea de Asistencia de Enfermería de Molina Healthcare pueden hablar con usted sobre su problema médico y darle consejos sobre lo que debe hace.
